This insurance is effected with the above listed insurance Carriers. The Carriers have appointed the Consortium Manager to underwrite on their behalf and to administer the Policy. The Consortium Manager shall provide the Carriers with notice of any Policy claim or any other obligation to which this Policy shall apply. Each above listed Carrier or their designated representative shall investigate, negotiate and settle any claims or losses arising under the Policy.

Nothing in this Policy is intended to place the Consortium Manager in the position of an Insurer or to cause the Consortium Manager to assume any of the risk for which each Carrier contracted to provide insurance coverage, nor is any part of this Policy intended to transfer to the Consortium Manager the obligation to dispute at its expense each Carrier's obligation to provide to any party the benefits of any insurance coverage.

The liability of each Carrier on this Policy with the Insured is limited to the participation amount shown in the schedule above. The liability of each separate Policy listed and for each Carrier represented thereby for any loss or losses or amounts payable is several as to each and shall not exceed its participation percentage shown below. There is no joint liability of any Carriers pursuant to this Policy. A Carrier shall not have its liability hereunder increased or decreased by reason of failure or delay of another Carrier, its successors, assigns, or legal representatives. Any loss otherwise payable under the provisions of the attached Policy that exceeds the allocation of "Risk" as defined herein shall be borne proportionately by the contracts as to their limit of liability at the time and place of the loss bears to the total allocated.

This Policy shall be constructed as a separate contract between the Insured and each of the Carriers.

Notices. All notices, requests, demands, complaints and other communications called for in this Policy shall be in writing and shall be deemed to have been duly given when: (i) personally delivered, (ii) sent via overnight delivery with proof of delivery or (iii) five days after being mailed by United States certified or registered mail, postage prepaid, addressed to the Consortium Manager at the following addresses or at addresses for the Carriers as indicated on the policy declarations page:

CUSTOMER COMPLAINT POLICY

Promptness, professionalism, and fair-dealings in all business matters are integral to the Ryan Specialty Group, LLC (“RSG”) culture, and the commitments we make to the customers and underwriting partners we represent. Despite RSG’s adherence to these core principles, a complaint involving a dis-satisfied customer may arise from time to time. The complaint may be submitted by or on behalf of a policyholder, agent, or broker – or it may be submitted by an insurance regulator. This policy sets forth the steps to be followed by each RSG operating unit (“Unit”) receiving any such complaint.

Initial Notice

With respect to any oral, written, or electronic customer complaint, whether by or on behalf of a policyholder, agent, broker, insurance regulator, or otherwise that is directed to any Unit, or employee thereof:

- If received by any employee other than the Unit’s president, the employee will notify the Unit’s president promptly (but in no event later than 24 hours following the employee’s receipt of the complaint,) and at the same time deliver simultaneously all written or electronic documentation received by the employee.
- The Unit president will notify RSG’s Compliance Department promptly by email to compliance@ryansg.com and copy Division Management (but in no event later than within 24 hours following the Unit president’s receipt of the complaint) At the same time, the Unit President shall deliver all written or electronic documentation received by the employee to the Compliance Department, and that Department will maintain a log or file on all such complaints received.
- If the Unit president believes or is uncertain as to whether the complaint might constitute a claim or notice of circumstance that might give rise to a claim under RSG’s E&O insurance program, he or she will copy RSG’s Assistant General Counsel of the complaint simultaneously with the notification to the Compliance Department.
- The Unit’s president will be responsible for providing notification of the complaint to any insurer except for Lloyd’s, if and to the extent required under any applicable agreement between the Unit and any such insurer. Any notice to RSG’s liability insurers will be performed by RSG’s Assistant General Counsel.

Investigating the Complaint

RSG requires complaints to be resolved speedily at the earliest stage possible. Any complaint resolution shall be coordinated and approved by Compliance and/or Legal.

If you have been asked to participate in the resolution of a complaint, full cooperation is expected and required.

Complaints will be fairly and thoroughly investigated by the appropriate department(s) dependent upon the nature of the complaint.

Recordkeeping

Every complaint will be logged by Compliance and a file of the complaint will be maintained including copies of all correspondence and relevant notes of discussions relating to the investigation of the complaint. This file shall be retained for a period of three years from the date of the last item of correspondence related to the complaint. So far as possible, complaint files should be stored in digital form to save storage costs and for easy retrieval.

Additional Complaint Handling Procedures applicable to Lloyd's policies

Lloyd's considers a complaint to be any written communication where there is an expression of dissatisfaction with an insurance product or service.

The following Complainants are in-scope for direct reporting to Lloyd's:

- Personal lines policyholders (private individuals);
- Small commercial policyholders (where the policyholder has fewer than 10 employees and a gross revenue or annual balance sheet that does not exceed \$2.5m);
- A charity which has an annual income of less than \$2.5m at the time the complainant makes the complaint;
- A trustee of a trust which has a net asset value of less than \$2.5m at the time the complainant makes the complaint.

Lloyd's procedure and local complaint regulations apply to all US policies. Where RSG has delegated authority to handle complaints, all written complaints received from complainants outlined above will need to be reported to Compliance so that they can be reported to Lloyd's. Compliance will send the complaint, via the Lloyd's broker, to the managing agent of the applicable lead Lloyd's syndicate.

Unless RSG has been able to resolve the complaint in three working days, a written response should be provided to the complainant in accordance with any applicable timeframes. When a written response is provided, the complainant will also be informed that they can, if they remain dissatisfied, contact the relevant Department of Insurance (contact details for that Department) will be provided by Compliance). Where RSG has been notified of the complaint by a Department of Insurance, RSG will follow the procedures outlined by the DOI.

Once RSG has sent the complainant a full response, a copy of that response will be sent to Lloyd's (or the managing agent for them to forward) together with a copy of the original written complaint. For complaints resolved within two weeks, it will very often be possible to provide first notification of the complaint to Lloyd's at the same time as RSG sends a copy of the full response that was sent to the complainant.

Timescales on the current reporting procedures:

- Direct Complaints may be resolved informally if verbal resolution is reached within three business days
- Direct Complaints (not resolved informally) should receive a written acknowledgement of the complaint promptly and, where possible, within three business days of receipt of the complaint.
- Direct Complaints (not resolved informally) should receive a full written response to the complaint as soon as practicable and in any event within eight weeks of the complaint being received.

- DOI Complaints should be dealt with in accordance with any directions of the relevant DOI for the handling of complaints.

Complaint Notification to Lloyd's

Within two weeks of receipt of a Direct Complaint and by the end of the next business day after receipt of a DOI Complaint, the Lloyd's Complaint Notification Template will be completed by Compliance with details of the complaint received and sent to internationalcomplaints@lloyds.com

A copy of the full response together with a copy of the original complaint must be emailed to internationalcomplaints@lloyds.com within two business days after the response is sent to the complainant. Where the complaint was resolved informally within three days, a summary of the outcome should be sent to Lloyd's. This should include details of any redress or remedial action.

This process only applies where RSG has delegated authority to deal with complaints. Where complaints are dealt with by the managing agent or another TPA, then RSG will need to provide the MGA or TPA with prompt details of the complaint; however, the MGA/TPA will then be responsible for all other steps, including notifying Lloyd's.

For questions on any of the above, please contact Legal or Compliance.

SUBSCRIPTION PAGE ENDORSEMENT

This endorsement modifies insurance provided under the following:

Onshore Property Insurance Policy

Any provision required by law to be stated in policies issued by subscribers hereto shall be deemed to have been stated herein.

In consideration of the premium charged, the subscribers hereto, hereinafter referred to as the Insurers, do severally, but not jointly, agree to indemnify the Insured for the amount recoverable in accordance with the terms and conditions of the Policy. Provided that:

- (a) The collective liability of the Insurers shall not exceed the Limit of Liability or any appropriate Sublimit(s) of Liability or any annual aggregate limit.
- (b) The limit of each of the Insurers (or, in the case of a Lloyd’s syndicate, the total of the proportions underwritten by all the members of the syndicate taken together) shall not exceed the Limit of the pro rata percentage of liability set against its name.

In no event shall liability for loss or damage as insured against by this Policy arising out of one Occurrence exceed its proportionate program share, nor shall liability exceed its proportionate program share of any specific Sublimit of Liability applying to any insured loss, coverage or location(s). Any loss payable under the provisions of this policy that exceeds limits shown in this policy shall be borne proportionately by the Insurers.

In the case of a Lloyd’s syndicate, each member of the syndicate (rather than the syndicate itself) is an insurer. Each member has underwritten a proportion of the total shown for the syndicate (that total itself being the total of the proportions underwritten by all the members of the syndicate taken together). The liability of each member of the syndicate is several and not joint with other members. A member is liable only for that member’s proportion. A member is not jointly liable for any other member’s proportion. Nor is any member otherwise responsible for any liability of any other insurer that may underwrite this contract.

COMMERCIAL PROPERTY CONDITIONS

This Coverage Part is subject to the following conditions, the Common Policy Conditions and applicable Loss Conditions and Additional Conditions in Commercial Property Coverage Forms.

A. CONCEALMENT, MISREPRESENTATION OR FRAUD

This Coverage Part is void in any case of fraud by you as it relates to this Coverage Part at any time. It is also void if you or any other insured, at any time, intentionally conceal or misrepresent a material fact concerning:

1. This Coverage Part;
2. The Covered Property;
3. Your interest in the Covered Property; or
4. A claim under this Coverage Part.

B. CONTROL OF PROPERTY

Any act or neglect of any person other than you beyond your direction or control will not affect this insurance.

The breach of any condition of this Coverage Part at any one or more locations will not affect coverage at any location where, at the time of loss or damage, the breach of condition does not exist.

C. INSURANCE UNDER TWO OR MORE COVERAGES

If two or more of this policy's coverages apply to the same loss or damage, we will not pay more than the actual amount of the loss or damage.

D. LEGAL ACTION AGAINST US

No one may bring a legal action against us under this Coverage Part unless:

1. There has been full compliance with all of the terms of this Coverage Part; and
2. The action is brought within 2 years after the date on which the direct physical loss or damage occurred.

E. LIBERALIZATION

If we adopt any revision that would broaden the coverage under this Coverage Part without additional premium within 45 days prior to or during the policy period, the broadened coverage will immediately apply to this Coverage Part.

F. NO BENEFIT TO BAILEE

No person or organization, other than you, having custody of Covered Property will benefit from this insurance.

G. OTHER INSURANCE

1. You may have other insurance subject to the same plan, terms, conditions and provisions as the insurance under this Coverage Part. If you do, we will pay our share of the covered loss or damage. Our share is the proportion that the applicable Limit of Insurance under this Coverage Part bears to the Limits of Insurance of all insurance covering on the same basis.
2. If there is other insurance covering the same loss or damage, other than that described in 1. above, we will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance, whether you can collect on it or not. But we will not pay more than the applicable Limit of Insurance.

H. POLICY PERIOD, COVERAGE TERRITORY

Under this Coverage Part:

CAUSES OF LOSS – SPECIAL FORM

Words and phrases that appear in quotation marks have special meaning. Refer to Section **G**. Definitions.

A. Covered Causes Of Loss

When Special is shown in the Declarations, Covered Causes of Loss means direct physical loss unless the loss is excluded or limited in this policy.

B. Exclusions

1. We will not pay for loss or damage caused directly or indirectly by any of the following. Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

a. Ordinance Or Law

The enforcement of or compliance with any ordinance or law:

- (1) Regulating the construction, use or repair of any property; or
- (2) Requiring the tearing down of any property, including the cost of removing its debris.

This exclusion, Ordinance Or Law, applies whether the loss results from:

- (a) An ordinance or law that is enforced even if the property has not been damaged; or

Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil and the action of water under the ground surface.

But if Earth Movement, as described in **b.(1)** through **(4)** above, results in fire or explosion, we will pay for the loss or damage caused by that fire or explosion.

- (5) Volcanic eruption, explosion or effusion. But if volcanic eruption, explosion or effusion results in fire, building glass breakage or Volcanic Action, we will pay for the loss or damage caused by that fire, building glass breakage or Volcanic Action.

Volcanic Action means direct loss or damage resulting from the eruption of a volcano when the loss or damage is caused by:

This exclusion applies regardless of whether any of the above, in Paragraphs **(1)** through **(5)**, is caused by an act of nature or is otherwise caused.

c. Governmental Action

Seizure or destruction of property by order of governmental authority.

But we will pay for loss or damage caused by or resulting from acts of destruction ordered by governmental authority and taken at the time of a fire to prevent its spread, if the fire would be covered under this Coverage Part.

Failure of any utility service includes lack of sufficient capacity and reduction in supply.

Loss or damage caused by a surge of power is also excluded, if the surge would not have occurred but for an event causing a failure of power.

But if the failure or surge of power, or the failure of communication, water or other utility service, results in a Covered Cause of Loss, we will pay for the loss or damage caused by that Covered Cause of Loss.

An example of a situation to which this exclusion applies is the situation where a dam, levee, seawall or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if any of the above, in Paragraphs (1) through (5), results in fire, explosion or sprinkler leakage, we will pay for the loss or damage caused by that fire, explosion or sprinkler leakage (if sprinkler leakage is a Covered Cause of Loss).

h. "Fungus", Wet Rot, Dry Rot And Bacteria

Presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria.

But if "fungus", wet or dry rot or bacteria result in a "specified cause of loss", we will pay for the loss or damage caused by that "specified cause of loss".

- This exclusion, **l.**, does not apply to damage to glass caused by chemicals applied to the glass.
- m.** Neglect of an insured to use all reasonable means to save and preserve property from further damage at and after the time of loss.

1. The coverage described in **E.2.** and **E.6.** only applies when the "fungus", wet or dry rot or bacteria are the result of one or more of the following causes that occur during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence:

- a. A "specified cause of loss" other than fire or lightning; or
- b. Flood, if the Flood Coverage Endorsement applies to the affected premises.

This Additional Coverage does not apply to lawns, trees, shrubs or plants which are part of a vegetated roof.

2. We will pay for loss or damage by "fungus", wet or dry rot or bacteria. As used in this Limited Coverage, the term loss or damage means:

- a. Direct physical loss or damage to Covered Property caused by "fungus", wet or dry rot or bacteria, including the cost of removal of the "fungus", wet or dry rot or bacteria;
- b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot or bacteria; and
- c. The cost of testing performed after removal, repair, replacement or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot or bacteria are present.

3. The coverage described under **E.2.** of this Limited Coverage is limited to \$15,000. Regardless of the number of claims, this limit is the most we will pay for the total of all loss or damage arising out of all occurrences of "specified causes of loss" (other than fire or lightning) and Flood which take place in a 12-month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of loss which results in "fungus", wet or dry rot or bacteria, we will not pay more than a total of \$15,000 even if the "fungus", wet or dry rot or bacteria continue to be present or active, or recur, in a later policy period.

4. The coverage provided under this Limited Coverage does not increase the applicable Limit of Insurance on any Covered Property. If a particular occurrence results in loss or damage by "fungus", wet or dry rot or bacteria, and other loss or damage, we will not pay more, for the total of all loss or damage, than the applicable Limit of Insurance on the affected Covered Property.

If there is covered loss or damage to Covered Property, not caused by "fungus", wet or dry rot or bacteria, loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot or bacteria cause an increase in the loss. Any such increase in the loss will be subject to the terms of this Limited Coverage.

5. The terms of this Limited Coverage do not increase or reduce the coverage provided under Paragraph F.2. (Water Damage, Other Liquids, Powder Or Molten Material Damage) of this Causes Of Loss form or under the Additional Coverage, Collapse.
6. The following, 6.a. or 6.b., applies only if Business Income and/or Extra Expense Coverage applies to the described premises and only if the "suspension" of "operations" satisfies all terms and conditions of the applicable Business Income and/or Extra Expense Coverage Form:
- a. If the loss which resulted in "fungus", wet or dry rot or bacteria does not in itself necessitate a "suspension" of "operations", but such "suspension" is necessary due to loss or damage to property caused by "fungus", wet or dry rot or bacteria, then our payment under Business Income and/or Extra Expense is limited to the amount of loss and/or expense sustained in a period of not more than 30 days. The days need not be consecutive.
 - b. If a covered "suspension" of "operations" was caused by loss or damage other than "fungus", wet or dry rot or bacteria but remediation of "fungus", wet or dry rot or bacteria prolongs the "period of restoration", we will pay for loss and/or expense sustained during the delay (regardless of when such a delay occurs during the "period of restoration"), but such coverage is limited to 30 days. The days need not be consecutive.

F. Additional Coverage Extensions

1. Property In Transit

This Extension applies only to your personal property to which this form applies.

- a. You may extend the insurance provided by this Coverage Part to apply to your personal property (other than property in the care, custody or control of your salespersons) in transit more than 100 feet from the described premises. Property must be in or on a motor vehicle you own, lease or operate while between points in the coverage territory.
- b. Loss or damage must be caused by or result from one of the following causes of loss:
 - (1) Fire, lightning, explosion, windstorm or hail, riot or civil commotion, or vandalism.
 - (2) Vehicle collision, upset or overturn. Collision means accidental contact of your vehicle with another vehicle or object. It does not mean your vehicle's contact with the roadbed.
 - (3) Theft of an entire bale, case or package by forced entry into a securely locked body or compartment of the vehicle. There must be visible marks of the forced entry.
- c. The most we will pay for loss or damage under this Extension is \$5,000.

This Coverage Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

2. Water Damage, Other Liquids, Powder Or Molten Material Damage

If loss or damage caused by or resulting from covered water or other liquid, powder or molten material damage loss occurs, we will also pay the cost to tear out and replace any part of the building or structure to repair damage to the system or appliance from which the water or other substance escapes. This Coverage Extension does not increase the Limit of Insurance.

3. Glass

- a. We will pay for expenses incurred to put up temporary plates or board up openings if repair or replacement of damaged glass is delayed.
- b. We will pay for expenses incurred to remove or replace obstructions when repairing or replacing glass that is part of a building. This does not include removing or replacing window displays.

This Coverage Extension **F.3.** does not increase the Limit of Insurance.

G. Definitions

- 1. "Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.
- 2. "Specified causes of loss" means the following:
 - fire; lightning; explosion; windstorm or hail; smoke; aircraft or vehicles; riot or civil commotion; vandalism; leakage from fire-extinguishing equipment; sinkhole collapse; volcanic action; falling objects; weight of snow, ice or sleet; water damage.
 - a. Sinkhole collapse means the sudden sinking or collapse of land into underground empty spaces created by the action of water on limestone or dolomite. This cause of loss does not include:
 - (1) The cost of filling sinkholes; or
 - (2) Sinking or collapse of land into man-made underground cavities.
 - b. Falling objects does not include loss or damage to:
 - (1) Personal property in the open; or
 - (2) The interior of a building or structure, or property inside a building or structure, unless the roof or an outside wall of the building or structure is first damaged by a falling object.
 - c. Water damage means:
 - (1) Accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of a plumbing, heating, air conditioning or other system or appliance (other than a sump system including its related equipment and parts), that is located on the described premises and contains water or steam; and

- (2) Accidental discharge or leakage of water or waterborne material as the direct result of the breaking apart or cracking of a water or sewer pipe caused by wear and tear, when the pipe is located off the described premises and is connected to or is part of a potable water supply system or sanitary sewer system operated by a public or private utility service provider pursuant to authority granted by the state or governmental subdivision where the described premises are located.

But water damage does not include loss or damage otherwise excluded under the terms of the Water Exclusion. Therefore, for example, there is no coverage under this policy in the situation in which discharge or leakage of water results from the breaking apart or cracking of a pipe which was caused by or related to weather-induced flooding, even if wear and tear contributed to the breakage or cracking. As another example, and also in accordance with the terms of the Water Exclusion, there is no coverage for loss or damage caused by or related to weather-induced flooding which follows or is exacerbated by pipe breakage or cracking attributable to wear and tear.

To the extent that accidental discharge or leakage of water falls within the criteria set forth in **c.(1)** or **c.(2)** of this definition of "specified causes of loss," such water is not subject to the provisions of the Water Exclusion which preclude coverage for surface water or water under the surface of the ground.

CONDOMINIUM ASSOCIATION COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy, the words "you" and "your" refer to the Named Insured shown in the Declarations. The words "we", "us" and "our" refer to the company providing this insurance.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section H. Definitions.

A. Coverage

We will pay for direct physical loss of or damage to Covered Property at the premises described in the Declarations caused by or resulting from any Covered Cause of Loss.

1. Covered Property

Covered Property, as used in this Coverage Part, means the type of property described in this section, **A.1.**, and limited in **A.2.** Property Not Covered, if a Limit Of Insurance is shown in the Declarations for that type of property.

a. Building, meaning the building or structure described in the Declarations, including:

- (1) Completed additions;
- (2) Fixtures, outside of individual units, including outdoor fixtures;
- (3) Permanently installed:
 - (a) Machinery; and
 - (b) Equipment;
- (4) Personal property owned by you that is used to maintain or service the building or structure or its premises, including:
 - (a) Fire-extinguishing equipment;
 - (b) Outdoor furniture;
 - (c) Floor coverings; and
 - (d) Appliances used for refrigerating, ventilating, cooking, dishwashing or laundering that are not contained within individual units;
- (5) If not covered by other insurance:
 - (a) Additions under construction, alterations and repairs to the building or structure;

(b) Materials, equipment, supplies, and temporary structures, on or within 100 feet of the described premises, used for making additions, alterations or repairs to the building or structure; and

(6) Any of the following types of property contained within a unit, regardless of ownership, if your Condominium Association Agreement requires you to insure it:

(a) Fixtures, improvements and alterations that are a part of the building or structure; and

(b) Appliances, such as those used for refrigerating, ventilating, cooking, dishwashing, laundering, security or housekeeping.

But Building does not include personal property owned by, used by or in the care, custody or control of a unit-owner except for personal property listed in Paragraph **A.1.a.(6)** above.

b. Your Business Personal Property located in or on the building or structure described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises, consisting of the following:

- (1) Personal property owned by you or owned indivisibly by all unit-owners;
- (2) Your interest in the labor, materials or services furnished or arranged by you on personal property of others; and
- (3) Leased personal property for which you have a contractual responsibility to insure, unless otherwise provided for under Personal Property Of Others.

But Your Business Personal Property does not include personal property owned only by a unit-owner.

c. Personal Property Of Others that is:

- (1) In your care, custody or control; and
- (2) Located in or on the building or structure described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

However, our payment for loss of or damage to personal property of others will only be for the account of the owner of the property.

2. Property Not Covered

Covered Property does not include:

- a. Accounts, bills, currency, food stamps or other evidences of debt, money, notes or securities. Lottery tickets held for sale are not securities;
- b. Animals, unless owned by others and boarded by you;
- c. Automobiles held for sale;
- d. Bridges, roadways, walks, patios or other paved surfaces;
- e. Contraband, or property in the course of illegal transportation or trade;
- f. The cost of excavations, grading, backfilling or filling;
- g. Foundations of buildings, structures, machinery or boilers if their foundations are below:
 - (1) The lowest basement floor; or
 - (2) The surface of the ground if there is no basement;
- h. Land (including land on which the property is located), water, growing crops or lawns (other than lawns which are part of a vegetated roof);
- i. Personal property while airborne or waterborne;
- j. Bulkheads, pilings, piers, wharves or docks;
- k. Property that is covered under this or any other policy in which it is more specifically described, except for the excess of the amount due (whether you can collect on it or not) from that other insurance;
- l. Retaining walls that are not part of a building;
- m. Underground pipes, flues or drains;
- n. Electronic data, except as provided under the Additional Coverage, Electronic Data. Electronic data means information, facts or computer programs stored as or on, created or used on, or transmitted to or from computer software (including systems and applications software), on hard or floppy disks, CD-ROMs, tapes, drives, cells, data processing devices or any other repositories of computer software which are used with electronically controlled equipment. The term computer programs, referred to in the foregoing description of electronic data, means a set of related electronic instructions which direct the operations and functions of a computer or device connected to it, which enable the computer or device to receive, process, store, retrieve or send data. This paragraph, n., does not apply to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system;
- o. The cost to replace or restore the information on valuable papers and records, including those which exist as electronic data. Valuable papers and records include but are not limited to proprietary information, books of account, deeds, manuscripts, abstracts, drawings and card index systems. Refer to the Coverage Extension for Valuable Papers And Records (Other Than Electronic Data) for limited coverage for valuable papers and records other than those which exist as electronic data;
- p. Vehicles or self-propelled machines (including aircraft or watercraft) that:
 - (1) Are licensed for use on public roads; or
 - (2) Are operated principally away from the described premises.

This paragraph does not apply to:

- (a) Vehicles or self-propelled machines or autos you manufacture or warehouse;
- (b) Vehicles or self-propelled machines, other than autos, you hold for sale;
- (c) Rowboats or canoes out of water at the described premises; or
- (d) Trailers, but only to the extent provided for in the Coverage Extension for Non-owned Detached Trailers; or

q. The following property while outside of buildings:

- (1) Grain, hay, straw or other crops; or
- (2) Fences, radio or television antennas (including satellite dishes) and their lead-in wiring, masts or towers, trees, shrubs or plants (other than trees, shrubs or plants which are "stock" or are part of a vegetated roof), all except as provided in the Coverage Extensions.

3. Covered Causes Of Loss

See applicable Causes Of Loss form as shown in the Declarations.

4. Additional Coverages

a. Debris Removal

- (1) Subject to Paragraphs (2), (3) and (4), we will pay your expense to remove debris of Covered Property and other debris that is on the described premises, when such debris is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date of direct physical loss or damage.
- (2) Debris Removal does not apply to costs to:
 - (a) Remove debris of property of yours that is not insured under this policy, or property in your possession that is not Covered Property;
 - (b) Remove any property that is Property Not Covered, including property addressed under the Outdoor Property Coverage Extension;
 - (c) Remove property of others of a type that would not be Covered Property under this Coverage Form;
 - (d) Remove deposits of mud or earth from the grounds of the described premises;
 - (e) Extract "pollutants" from land or water; or
 - (f) Remove, restore or replace polluted land or water.

(3) Subject to the exceptions in Paragraph (4), the following provisions apply:

- (a) The most we will pay for the total of direct physical loss or damage plus debris removal expense is the Limit of Insurance applicable to the Covered Property that has sustained loss or damage.
- (b) Subject to (a) above, the amount we will pay for debris removal expense is limited to 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage. However, if no Covered Property has sustained direct physical loss or damage, the most we will pay for removal of debris of other property (if such removal is covered under this Additional Coverage) is \$5,000 at each location.
- (4) We will pay up to an additional \$25,000 for debris removal expense, for each location, in any one occurrence of physical loss or damage to Covered Property, if one or both of the following circumstances apply:

- (a) The total of the actual debris removal expense plus the amount we pay for direct physical loss or damage exceeds the Limit of Insurance on the Covered Property that has sustained loss or damage.
- (b) The actual debris removal expense exceeds 25% of the sum of the deductible plus the amount that we pay for direct physical loss or damage to the Covered Property that has sustained loss or damage.

Therefore, if (4)(a) and/or (4)(b) applies, our total payment for direct physical loss or damage and debris removal expense may reach but will never exceed the Limit of Insurance on the Covered Property that has sustained loss or damage, plus \$25,000.

(5) Examples

The following examples assume that there is no Coinsurance penalty.

Example 1

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 50,000
Amount of Loss Payable:	\$ 49,500
	(\$50,000 – \$500)
Debris Removal Expense:	\$ 10,000
Debris Removal Expense Payable:	\$ 10,000
	(\$10,000 is 20% of \$50,000.)

The debris removal expense is less than 25% of the sum of the loss payable plus the deductible. The sum of the loss payable and the debris removal expense (\$49,500 + \$10,000 = \$59,500) is less than the Limit of Insurance. Therefore, the full amount of debris removal expense is payable in accordance with the terms of Paragraph (3).

Example 2

Limit of Insurance:	\$ 90,000
Amount of Deductible:	\$ 500
Amount of Loss:	\$ 80,000
Amount of Loss Payable:	\$ 79,500
	(\$80,000 – \$500)
Debris Removal Expense:	\$ 40,000
Debris Removal Expense Payable	
Basic Amount:	\$ 10,500
Additional Amount:	\$ 25,000

The basic amount payable for debris removal expense under the terms of Paragraph (3) is calculated as follows: \$80,000 (\$79,500 + \$500) x .25 = \$20,000, capped at \$10,500. The cap applies because the sum of the loss payable (\$79,500) and the basic amount payable for debris removal expense (\$10,500) cannot exceed the Limit of Insurance (\$90,000).

The additional amount payable for debris removal expense is provided in accordance with the terms of Paragraph (4), because the debris removal expense (\$40,000) exceeds 25% of the loss payable plus the deductible (\$40,000 = 50% of \$80,000), and because the sum of the loss payable and debris removal expense (\$79,500 + \$40,000 = \$119,500) would exceed the Limit of Insurance (\$90,000). The additional amount of covered debris removal expense is \$25,000, the maximum payable under Paragraph (4). Thus, the total payable for debris removal expense in this example is \$35,500; \$4,500 of the debris removal expense is not covered.

b. Preservation Of Property

If it is necessary for you to move Covered Property from the described premises to preserve it from loss or damage by a Covered Cause of Loss, we will pay for any direct physical loss or damage to that property:

- (1) While it is being moved or while temporarily stored at another location; and
- (2) Only if the loss or damage occurs within 30 days after the property is first moved.

c. Fire Department Service Charge

When the fire department is called to save or protect Covered Property from a Covered Cause of Loss, we will pay up to \$1,000 for service at each premises described in the Declarations unless a higher limit is shown in the Declarations. Such limit is the most we will pay regardless of the number of responding fire departments or fire units, and regardless of the number or type of services performed.

This Additional Coverage applies to your liability for fire department service charges:

- (1) Assumed by contract or agreement prior to loss; or
- (2) Required by local ordinance.

No Deductible applies to this Additional Coverage.

d. Pollutant Clean-up And Removal

We will pay your expense to extract "pollutants" from land or water at the described premises if the discharge, dispersal, seepage, migration, release or escape of the "pollutants" is caused by or results from a Covered Cause of Loss that occurs during the policy period. The expenses will be paid only if they are reported to us in writing within 180 days of the date on which the Covered Cause of Loss occurs.

This Additional Coverage does not apply to costs to test for, monitor or assess the existence, concentration or effects of "pollutants". But we will pay for testing which is performed in the course of extracting the "pollutants" from the land or water.

The most we will pay under this Additional Coverage for each described premises is \$10,000 for the sum of all covered expenses arising out of Covered Causes of Loss occurring during each separate 12-month period of this policy.

e. Increased Cost Of Construction

- (1) This Additional Coverage applies only to buildings to which the Replacement Cost Optional Coverage applies.
- (2) In the event of damage by a Covered Cause of Loss to a building that is Covered Property, we will pay the increased costs incurred to comply with the minimum standards of an ordinance or law in the course of repair, rebuilding or replacement of damaged parts of that property, subject to the limitations stated in **e.(3)** through **e.(9)** of this Additional Coverage.
- (3) The ordinance or law referred to in **e.(2)** of this Additional Coverage is an ordinance or law that regulates the construction or repair of buildings or establishes zoning or land use requirements at the described premises and is in force at the time of loss.
- (4) Under this Additional Coverage, we will not pay any costs due to an ordinance or law that:
 - (a) You were required to comply with before the loss, even when the building was undamaged; and
 - (b) You failed to comply with.
- (5) Under this Additional Coverage, we will not pay for:
 - (a) The enforcement of or compliance with any ordinance or law which requires demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or
 - (b) Any costs associated with the enforcement of or compliance with an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.

- (6) The most we will pay under this Additional Coverage, for each described building insured under this Coverage Form, is \$10,000 or 5% of the Limit of Insurance applicable to that building, whichever is less. If a damaged building is covered under a blanket Limit of Insurance which applies to more than one building or item of property, then the most we will pay under this Additional Coverage, for that damaged building, is the lesser of \$10,000 or 5% times the value of the damaged building as of the time of loss times the applicable Coinsurance percentage.

The amount payable under this Additional Coverage is additional insurance.

- (7) With respect to this Additional Coverage:
 - (a) We will not pay for the Increased Cost of Construction:
 - (i) Until the property is actually repaired or replaced, at the same or another premises; and
 - (ii) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.
 - (b) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the same premises.
 - (c) If the ordinance or law requires relocation to another premises, the most we will pay for the Increased Cost of Construction, subject to the provisions of **e.(6)** of this Additional Coverage, is the increased cost of construction at the new premises.
- (8) This Additional Coverage is not subject to the terms of the Ordinance Or Law Exclusion to the extent that such Exclusion would conflict with the provisions of this Additional Coverage.

- (9) The costs addressed in the Loss Payment and Valuation Conditions and the Replacement Cost Optional Coverage, in this Coverage Form, do not include the increased cost attributable to enforcement of or compliance with an ordinance or law. The amount payable under this Additional Coverage, as stated in e.(6) of this Additional Coverage, is not subject to such limitation.

f. Electronic Data

- (1) Under this Additional Coverage, electronic data has the meaning described under Property Not Covered, Electronic Data. This Additional Coverage does not apply to electronic data which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning or security system.
- (2) Subject to the provisions of this Additional Coverage, we will pay for the cost to replace or restore electronic data which has been destroyed or corrupted by a Covered Cause of Loss. To the extent that electronic data is not replaced or restored, the loss will be valued at the cost of replacement of the media on which the electronic data was stored, with blank media of substantially identical type.
- (3) The Covered Causes of Loss applicable to Your Business Personal Property apply to this Additional Coverage, Electronic Data, subject to the following:
- (a) If the Causes Of Loss – Special Form applies, coverage under this Additional Coverage, Electronic Data, is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
- (b) If the Causes Of Loss – Broad Form applies, coverage under this Additional Coverage, Electronic Data, includes Collapse as set forth in that form.
- (c) If the Causes Of Loss form is endorsed to add a Covered Cause of Loss, the additional Covered Cause of Loss does not apply to the coverage provided under this Additional Coverage, Electronic Data.

- (d) The Covered Causes of Loss include a virus, harmful code or similar instruction introduced into or enacted on a computer system (including electronic data) or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation. But there is no coverage for loss or damage caused by or resulting from manipulation of a computer system (including electronic data) by any employee, including a temporary or leased employee, or by an entity retained by you or for you to inspect, design, install, modify, maintain, repair or replace that system.

- (4) The most we will pay under this Additional Coverage, Electronic Data, is \$2,500 (unless a higher limit is shown in the Declarations) for all loss or damage sustained in any one policy year, regardless of the number of occurrences of loss or damage or the number of premises, locations or computer systems involved. If loss payment on the first occurrence does not exhaust this amount, then the balance is available for subsequent loss or damage sustained in but not after that policy year. With respect to an occurrence which begins in one policy year and continues or results in additional loss or damage in a subsequent policy year(s), all loss or damage is deemed to be sustained in the policy year in which the occurrence began.

5. Coverage Extensions

Except as otherwise provided, the following Extensions apply to property located in or on the building described in the Declarations or in the open (or in a vehicle) within 100 feet of the described premises.

If a Coinsurance percentage of 80% or more is shown in the Declarations, you may extend the insurance provided by this Coverage Part as follows:

a. Newly Acquired Or Constructed Property

(1) Buildings

You may extend the insurance that applies to Building to apply to:

- (a) Your new buildings while being built on the described premises; and

(b) Buildings you acquire at locations, other than the described premises, intended for:

- (ii) Use as a warehouse.

The most we will pay for loss or damage under this Extension is \$250,000 at each building.

(2) Your Business Personal Property

(a) If this policy covers Your Business Personal Property, you may extend that insurance to apply to:

- (ii) Business personal property, including such property that you newly acquire, located at your newly constructed or acquired buildings at the location described in the Declarations.

The most we will pay for loss or damage under this Extension is \$100,000 at each building.

(b) This Extension does not apply to:

- (i) Personal property of others that is temporarily in your possession in the course of installing or performing work on such property; or
- (ii) Personal property of others that is temporarily in your possession in the course of your manufacturing or wholesaling activities.

(3) Period Of Coverage

With respect to insurance provided under this Coverage Extension for Newly Acquired Or Constructed Property, coverage will end when any of the following first occurs:

(a) This policy expires;

(b) 30 days expire after you acquire the property or begin construction of that part of the building that would qualify as covered property; or

(c) You report values to us.

We will charge you additional premium for values reported from the date you acquire the property or begin construction of that part of the building that would qualify as covered property.

b. Personal Effects And Property Of Others

You may extend the insurance that applies to Your Business Personal Property to apply to:

- (1) Personal effects owned by you, your officers, your partners or members, your managers or your employees. This Extension does not apply to loss or damage by theft.
- (2) Personal property of others in your care, custody or control.

c. Valuable Papers And Records (Other Than Electronic Data)

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to the cost to replace or restore the lost information on valuable papers and records for which duplicates do not exist. But this Extension does not apply to valuable papers and records which exist as electronic data. Electronic data has the meaning described under Property Not Covered, Electronic Data.
- (2) If the Causes Of Loss – Special Form applies, coverage under this Extension is limited to the "specified causes of loss" as defined in that form and Collapse as set forth in that form.
- (3) If the Causes Of Loss – Broad Form applies, coverage under this Extension includes Collapse as set forth in that form.

- (4) Under this Extension, the most we will pay to replace or restore the lost information is \$2,500 at each described premises, unless a higher limit is shown in the Declarations. Such amount is additional insurance. We will also pay for the cost of blank material for reproducing the records (whether or not duplicates exist) and (when there is a duplicate) for the cost of labor to transcribe or copy the records. The costs of blank material and labor are subject to the applicable Limit of Insurance on Your Business Personal Property and, therefore, coverage of such costs is not additional insurance.

d. Property Off-premises

- (1) You may extend the insurance provided by this Coverage Form to apply to your Covered Property while it is away from the described premises, if it is:
 - (a) Temporarily at a location you do not own, lease or operate;
 - (b) In storage at a location you lease, provided the lease was executed after the beginning of the current policy term; or
 - (c) At any fair, trade show or exhibition.
- (2) This Extension does not apply to property:
 - (a) In or on a vehicle; or
 - (b) In the care, custody or control of your salespersons, unless the property is in such care, custody or control at a fair, trade show or exhibition.
- (3) The most we will pay for loss or damage under this Extension is \$10,000.

e. Outdoor Property

You may extend the insurance provided by this Coverage Form to apply to your outdoor fences, radio and television antennas (including satellite dishes), trees, shrubs and plants (other than trees, shrubs or plants which are "stock" or are part of a vegetated roof), including debris removal expense, caused by or resulting from any of the following causes of loss if they are Covered Causes of Loss:

- (1) Fire;
- (2) Lightning;

- (3) Explosion;
- (4) Riot or Civil Commotion; or
- (5) Aircraft.

The most we will pay for loss or damage under this Extension is \$1,000, but not more than \$250 for any one tree, shrub or plant. These limits apply to any one occurrence, regardless of the types or number of items lost or damaged in that occurrence.

Subject to all aforementioned terms and limitations of coverage, this Coverage Extension includes the expense of removing from the described premises the debris of trees, shrubs and plants which are the property of others.

f. Non-owned Detached Trailers

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to loss or damage to trailers that you do not own, provided that:
 - (a) The trailer is used in your business;
 - (b) The trailer is in your care, custody or control at the premises described in the Declarations; and
 - (c) You have a contractual responsibility to pay for loss or damage to the trailer.
- (2) We will not pay for any loss or damage that occurs:
 - (a) While the trailer is attached to any motor vehicle or motorized conveyance, whether or not the motor vehicle or motorized conveyance is in motion;
 - (b) During hitching or unhitching operations, or when a trailer becomes accidentally unhitched from a motor vehicle or motorized conveyance.
- (3) The most we will pay for loss or damage under this Extension is \$5,000, unless a higher limit is shown in the Declarations.
- (4) This insurance is excess over the amount due (whether you can collect on it or not) from any other insurance covering such property.

g. Business Personal Property Temporarily In Portable Storage Units

- (1) You may extend the insurance that applies to Your Business Personal Property to apply to such property while temporarily stored in a portable storage unit (including a detached trailer) located within 100 feet of the described premises.
- (2) If the applicable Covered Causes of Loss form or endorsement contains a limitation or exclusion concerning loss or damage from sand, dust, sleet, snow, ice or rain to property in a structure, such limitation or exclusion also applies to property in a portable storage unit.
- (3) Coverage under this Extension:
 - (a) Will end 90 days after the business personal property has been placed in the storage unit;
 - (b) Does not apply if the storage unit itself has been in use at the described premises for more than 90 consecutive days, even if the business personal property has been stored there for 90 or fewer days as of the time of loss or damage.
- (4) Under this Extension, the most we will pay for the total of all loss or damage to business personal property is \$10,000 (unless a higher limit is indicated in the Declarations for such Extension) regardless of the number of storage units. Such limit is part of, not in addition to, the applicable Limit of Insurance on Your Business Personal Property. Therefore, payment under this Extension will not increase the applicable Limit of Insurance on Your Business Personal Property.
- (5) This Extension does not apply to loss or damage otherwise covered under this Coverage Form or any endorsement to this Coverage Form or policy, and does not apply to loss or damage to the storage unit itself.

Each of these Extensions is additional insurance unless otherwise indicated. The Additional Condition, Coinsurance, does not apply to these Extensions.

B. Exclusions And Limitations

See applicable Causes Of Loss form as shown in the Declarations.

C. Limits Of Insurance

The most we will pay for loss or damage in any one occurrence is the applicable Limit Of Insurance shown in the Declarations.

The most we will pay for loss or damage to outdoor signs, whether or not the sign is attached to a building, is \$2,500 per sign in any one occurrence.

The amounts of insurance stated in the following Additional Coverages apply in accordance with the terms of such coverages and are separate from the Limit(s) Of Insurance shown in the Declarations for any other coverage:

- 1. Fire Department Service Charge;
- 2. Pollutant Clean-up And Removal;
- 3. Increased Cost Of Construction; and
- 4. Electronic Data.

Payments under the Preservation Of Property Additional Coverage will not increase the applicable Limit of Insurance.

D. Deductible

In any one occurrence of loss or damage (hereinafter referred to as loss), we will first reduce the amount of loss if required by the Coinsurance Condition or the Agreed Value Optional Coverage. If the adjusted amount of loss is less than or equal to the Deductible, we will not pay for that loss. If the adjusted amount of loss exceeds the Deductible, we will then subtract the Deductible from the adjusted amount of loss and will pay the resulting amount or the Limit of Insurance, whichever is less.

When the occurrence involves loss to more than one item of Covered Property and separate Limits of Insurance apply, the losses will not be combined in determining application of the Deductible. But the Deductible will be applied only once per occurrence.

Example 1

(This example assumes there is no Coinsurance penalty.)

Deductible:	\$ 250
Limit of Insurance – Building 1:	\$ 60,000
Limit of Insurance – Building 2:	\$ 80,000
Loss to Building 1:	\$ 60,100
Loss to Building 2:	\$ 90,000

The amount of loss to Building 1 (\$60,100) is less than the sum (\$60,250) of the Limit of Insurance applicable to Building 1 plus the Deductible.

The Deductible will be subtracted from the amount of loss in calculating the loss payable for Building 1:

\$ 60,100
– 250

\$ 59,850 Loss Payable – Building 1

The Deductible applies once per occurrence and therefore is not subtracted in determining the amount of loss payable for Building 2. Loss payable for Building 2 is the Limit of Insurance of \$80,000.

Total amount of loss payable:

\$59,850 + \$80,000 = \$139,850

Example 2

(This example, too, assumes there is no Coinsurance penalty.)

The Deductible and Limits of Insurance are the same as those in Example 1.

Loss to Building 1:	\$ 70,000
(Exceeds Limit of Insurance plus Deductible)	
Loss to Building 2:	\$ 90,000
(Exceeds Limit of Insurance plus Deductible)	
Loss Payable – Building 1:	\$ 60,000
(Limit of Insurance)	
Loss Payable – Building 2:	\$ 80,000
(Limit of Insurance)	
Total amount of loss payable:	\$ 140,000

E. Loss Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Abandonment

There can be no abandonment of any property to us.

2. Appraisal

If we and you disagree on the value of the property or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the value of the property and amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. Pay its chosen appraiser; and

- b. Bear the other expenses of the appraisal and umpire equally.

If there is an appraisal, we will still retain our right to deny the claim.

3. Duties In The Event Of Loss Or Damage

- a. You must see that the following are done in the event of loss or damage to Covered Property:

- (1) Notify the police if a law may have been broken.
- (2) Give us prompt notice of the loss or damage. Include a description of the property involved.
- (3) As soon as possible, give us a description of how, when and where the loss or damage occurred.
- (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of your expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Limit of Insurance. However, we will not pay for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.
- (5) At our request, give us complete inventories of the damaged and undamaged property. Include quantities, costs, values and amount of loss claimed.
- (6) As often as may be reasonably required, permit us to inspect the property proving the loss or damage and examine your books and records.

Also, permit us to take samples of damaged and undamaged property for inspection, testing and analysis, and permit us to make copies from your books and records.
- (7) Send us a signed, sworn proof of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms.
- (8) Cooperate with us in the investigation or settlement of the claim.

- b. We may examine any insured under oath, while not in the presence of any other insured and at such times as may be reasonably required, about any matter relating to this insurance or the claim, including an insured's books and records. In the event of an examination, an insured's answers must be signed.

4. Loss Payment

- a. In the event of loss or damage covered by this Coverage Form, at our option, we will either:
 - (1) Pay the value of lost or damaged property;
 - (2) Pay the cost of repairing or replacing the lost or damaged property, subject to **b.** below;
 - (3) Take all or any part of the property at an agreed or appraised value; or
 - (4) Repair, rebuild or replace the property with other property of like kind and quality, subject to **b.** below.

We will determine the value of lost or damaged property, or the cost of its repair or replacement, in accordance with the applicable terms of the Valuation Condition in this Coverage Form or any applicable provision which amends or supersedes the Valuation Condition.

- b. The cost to repair, rebuild or replace does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.
- c. We will give notice of our intentions within 30 days after we receive the sworn proof of loss.
- d. We will not pay you more than your financial interest in the Covered Property.
- e. We may adjust losses with the owners of lost or damaged property if other than you. If we pay the owners, such payments will satisfy your claims against us for the owners' property. We will not pay the owners more than their financial interest in the Covered Property.
- f. We may elect to defend you against suits arising from claims of owners of property. We will do this at our expense.

- g. We will pay for covered loss or damage to Covered Property within 30 days after we receive the sworn proof of loss, if you have complied with all of the terms of this Coverage Part, and:

- (1) We have reached agreement with you on the amount of loss; or
- (2) An appraisal award has been made.

If you name an insurance trustee, we will adjust losses with you, but we will pay the insurance trustee. If we pay the trustee, the payments will satisfy your claims against us.

- h. A party wall is a wall that separates and is common to adjoining buildings that are owned by different parties. In settling covered losses involving a party wall, we will pay a proportion of the loss to the party wall based on your interest in the wall in proportion to the interest of the owner of the adjoining building. However, if you elect to repair or replace your building and the owner of the adjoining building elects not to repair or replace that building, we will pay you the full value of the loss to the party wall, subject to all applicable policy provisions including Limits of Insurance, the Valuation and Coinsurance Conditions and all other provisions of this Loss Payment Condition. Our payment under the provisions of this paragraph does not alter any right of subrogation we may have against any entity, including the owner or insurer of the adjoining building, and does not alter the terms of the Transfer Of Rights Of Recovery Against Others To Us Condition in this policy.

5. Recovered Property

If either you or we recover any property after loss settlement, that party must give the other prompt notice. At your option, the property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay recovery expenses and the expenses to repair the recovered property, subject to the Limit of Insurance.

6. Unit-owner's Insurance

A unit-owner may have other insurance covering the same property as this insurance. This insurance is intended to be primary and not to contribute with such other insurance.

7. Vacancy

a. Description Of Terms

(1) As used in this Vacancy Condition, the term building and the term vacant have the meanings set forth in **(1)(a)** and **(1)(b)** below:

(a) When this policy is issued to a tenant, and with respect to that tenant's interest in Covered Property, building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.

(b) When this policy is issued to the owner or general lessee of a building, building means the entire building. Such building is vacant unless at least 31% of its total square footage is:

(i) Rented to a lessee or sublessee and used by the lessee or sublessee to conduct its customary operations; and/or

(ii) Used by the building owner to conduct customary operations.

(2) Buildings under construction or renovation are not considered vacant.

b. Vacancy Provisions

If the building where loss or damage occurs has been vacant for more than 60 consecutive days before that loss or damage occurs:

(1) We will not pay for any loss or damage caused by any of the following even if they are Covered Causes of Loss:

(a) Vandalism;

(b) Sprinkler leakage, unless you have protected the system against freezing;

(c) Building glass breakage;

(d) Water damage;

(e) Theft; or

(f) Attempted theft.

(2) With respect to Covered Causes of Loss other than those listed in **b.(1)(a)** through **b.(1)(f)** above, we will reduce the amount we would otherwise pay for the loss or damage by 15%.

8. Valuation

We will determine the value of Covered Property in the event of loss or damage as follows:

a. At actual cash value as of the time of loss or damage, except as provided in **b.** and **c.** below.

b. If the Limit of Insurance for Building satisfies the Additional Condition, Coinsurance, and the cost to repair or replace the damaged building property is \$2,500 or less, we will pay the cost of building repairs or replacement.

The cost of building repairs or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property. However, the following property will be valued at the actual cash value, even when attached to the building:

(1) Awnings or floor coverings;

(2) Appliances for refrigerating, ventilating, cooking, dishwashing or laundering; or

(3) Outdoor equipment or furniture.

c. Glass at the cost of replacement with safety-glazing material if required by law.

9. Waiver Of Rights Of Recovery

We waive our rights to recover payment from any unit-owner of the condominium that is shown in the Declarations.

F. Additional Conditions

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions:

1. Coinsurance

If a Coinsurance percentage is shown in the Declarations, the following condition applies:

a. We will not pay the full amount of any loss if the value of Covered Property at the time of loss times the Coinsurance percentage shown for it in the Declarations is greater than the Limit of Insurance for the property.

Instead, we will determine the most we will pay using the following steps:

(1) Multiply the value of Covered Property at the time of loss by the Coinsurance percentage;

(2) Divide the Limit of Insurance of the property by the figure determined in Step (1);

- (3) Multiply the total amount of loss, before the application of any deductible, by the figure determined in Step (2); and
- (4) Subtract the deductible from the figure determined in Step (3).

We will pay the amount determined in Step (4) or the Limit of Insurance, whichever is less. For the remainder, you will either have to rely on other insurance or absorb the loss yourself.

Example 1 (Underinsurance)

When: The value of the property is: \$ 250,000
 The Coinsurance percentage for it is: 80%
 The Limit of Insurance for it is: \$ 100,000
 The Deductible is: \$ 250
 The amount of loss is: \$ 40,000

Step (1): $\$250,000 \times 80\% = \$200,000$
 (the minimum amount of insurance to meet your Coinsurance requirements)

Step (2): $\$100,000 \div \$200,000 = .50$

Step (3): $\$40,000 \times .50 = \$20,000$

Step (4): $\$20,000 - \$250 = \$19,750$

We will pay no more than \$19,750. The remaining \$20,250 is not covered.

Example 2 (Adequate Insurance)

When: The value of the property is: \$ 250,000
 The Coinsurance percentage for it is: 80%
 The Limit of Insurance for it is: \$ 200,000
 The Deductible is: \$ 250
 The amount of loss is: \$ 40,000

The minimum amount of insurance to meet your Coinsurance requirement is \$200,000 ($\$250,000 \times 80\%$). Therefore, the Limit of Insurance in this example is adequate and no penalty applies. We will pay no more than \$39,750 ($\$40,000$ amount of loss minus the deductible of \$250).

- b. If one Limit of Insurance applies to two or more separate items, this condition will apply to the total of all property to which the limit applies.

Example 3

When: The value of the property is:
 Building at Location 1: \$ 75,000
 Building at Location 2: \$ 100,000
 Personal Property at Location 2: \$ 75,000
 \$ 250,000

The Coinsurance percentage for it is: 90%

The Limit of Insurance for Buildings and Personal Property at Locations 1 and 2 is: \$ 180,000

The Deductible is: \$ 1,000

The amount of loss is:
 Building at Location 2: \$ 30,000
 Personal Property at Location 2: \$ 20,000
 \$ 50,000

Step (1): $\$250,000 \times 90\% = \$225,000$
 (the minimum amount of insurance to meet your Coinsurance requirements and to avoid the penalty shown below)

Step (2): $\$180,000 \div \$225,000 = .80$

Step (3): $\$50,000 \times .80 = \$40,000$

Step (4): $\$40,000 - \$1,000 = \$39,000$

We will pay no more than \$39,000. The remaining \$11,000 is not covered.

2. Mortgageholders

- a. The term mortgageholder includes trustee.
- b. We will pay for covered loss of or damage to buildings or structures to each mortgageholder shown in the Declarations in their order of precedence, as interests may appear.
- c. The mortgageholder has the right to receive loss payment even if the mortgageholder has started foreclosure or similar action on the building or structure.
- d. If we deny your claim because of your acts or because you have failed to comply with the terms of this Coverage Part, the mortgageholder will still have the right to receive loss payment if the mortgageholder:
 - (1) Pays any premium due under this Coverage Part at our request if you have failed to do so;

- (2) Submits a signed, sworn proof of loss within 60 days after receiving notice from us of your failure to do so; and
- (3) Has notified us of any change in ownership, occupancy or substantial change in risk known to the mortgageholder.

All of the terms of this Coverage Part will then apply directly to the mortgageholder.

- e. If we pay the mortgageholder for any loss or damage and deny payment to you because of your acts or because you have failed to comply with the terms of this Coverage Part:
 - (1) The mortgageholder's rights under the mortgage will be transferred to us to the extent of the amount we pay; and
 - (2) The mortgageholder's right to recover the full amount of the mortgageholder's claim will not be impaired.

At our option, we may pay to the mortgageholder the whole principal on the mortgage plus any accrued interest. In this event, your mortgage and note will be transferred to us and you will pay your remaining mortgage debt to us.

- f. If we cancel this policy, we will give written notice to the mortgageholder at least:
 - (1) 10 days before the effective date of cancellation if we cancel for your nonpayment of premium; or
 - (2) 30 days before the effective date of cancellation if we cancel for any other reason.
- g. If we elect not to renew this policy, we will give written notice to the mortgageholder at least 10 days before the expiration date of this policy.

G. Optional Coverages

If shown as applicable in the Declarations, the following Optional Coverages apply separately to each item:

1. Agreed Value

- a. The Additional Condition, Coinsurance, does not apply to Covered Property to which this Optional Coverage applies. We will pay no more for loss of or damage to that property than the proportion that the Limit of Insurance under this Coverage Part for the property bears to the Agreed Value shown for it in the Declarations.

- b. If the expiration date for this Optional Coverage shown in the Declarations is not extended, the Additional Condition, Coinsurance, is reinstated and this Optional Coverage expires.
- c. The terms of this Optional Coverage apply only to loss or damage that occurs:
 - (1) On or after the effective date of this Optional Coverage; and
 - (2) Before the Agreed Value expiration date shown in the Declarations or the policy expiration date, whichever occurs first.

2. Inflation Guard

- a. The Limit of Insurance for property to which this Optional Coverage applies will automatically increase by the annual percentage shown in the Declarations.
- b. The amount of increase will be:
 - (1) The Limit of Insurance that applied on the most recent of the policy inception date, the policy anniversary date, or any other policy change amending the Limit of Insurance, times
 - (2) The percentage of annual increase shown in the Declarations, expressed as a decimal (example: 8% is .08), times
 - (3) The number of days since the beginning of the current policy year or the effective date of the most recent policy change amending the Limit of Insurance, divided by 365.

Example

If: The applicable Limit of Insurance is: \$ 100,000
 The annual percentage increase is: 8%
 The number of days since the
 beginning of the policy year
 (or last policy change) is: 146
 The amount of increase is:
 \$100,000 x .08 x 146 ÷ 365 = \$ 3,200

3. Replacement Cost

- a. Replacement Cost (without deduction for depreciation) replaces Actual Cash Value in the Loss Condition, Valuation, of this Coverage Form.
- b. This Optional Coverage does not apply to:
 - (1) Personal property of others;
 - (2) Contents of a residence; or
 - (3) Works of art, antiques or rare articles, including etchings, pictures, statuary, marbles, bronzes, porcelains and bric-a-brac.

Under the terms of this Replacement Cost Optional Coverage, personal property owned indivisibly by all unit-owners, and the property covered under Paragraph **A.1.a.(6)** of this Coverage Form, are not considered to be the personal property of others.

- c. You may make a claim for loss or damage covered by this insurance on an actual cash value basis instead of on a replacement cost basis. In the event you elect to have loss or damage settled on an actual cash value basis, you may still make a claim for the additional coverage this Optional Coverage provides if you notify us of your intent to do so within 180 days after the loss or damage.
- d. We will not pay on a replacement cost basis for any loss or damage:
 - (1) Until the lost or damaged property is actually repaired or replaced; and
 - (2) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage.
- e. We will not pay more for loss or damage on a replacement cost basis than the least of (1), (2) or (3), subject to f. below:
 - (1) The Limit of Insurance applicable to the lost or damaged property;
 - (2) The cost to replace the lost or damaged property with other property:
 - (a) Of comparable material and quality; and
 - (b) Used for the same purpose; or
 - (3) The amount actually spent that is necessary to repair or replace the lost or damaged property.

If a building is rebuilt at a new premises, the cost described in **e.(2)** above is limited to the cost which would have been incurred if the building had been rebuilt at the original premises.

- f. The cost of repair or replacement does not include the increased cost attributable to enforcement of or compliance with any ordinance or law regulating the construction, use or repair of any property.

4. Extension Of Replacement Cost To Personal Property Of Others

- a. If the Replacement Cost Optional Coverage is shown as applicable in the Declarations, then this Extension may also be shown as applicable. If the Declarations show this Extension as applicable, then Paragraph **3.b.(1)** of the Replacement Cost Optional Coverage is deleted and all other provisions of the Replacement Cost Optional Coverage apply to replacement cost on personal property of others.

- b. With respect to replacement cost on the personal property of others, the following limitation applies:

If an item(s) of personal property of others is subject to a written contract which governs your liability for loss or damage to that item(s), then valuation of that item(s) will be based on the amount for which you are liable under such contract, but not to exceed the lesser of the replacement cost of the property or the applicable Limit of Insurance.

SCHEDULE

The **Exception Covering Certain Fire Losses** (Paragraph C) applies to property located in the following state(s), if covered under the indicated Coverage Form, Coverage Part or Policy:

State(s)	Coverage Form, Coverage Part Or Policy
CA, GA, HI, IA, IL, MA, ME, MO, NC, NJ, NY, OR, RI, US VI, WA, WI, and WV	Commercial Property Coverage Part
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

A. The following definition is added with respect to the provisions of this endorsement:

"Certified act of terrorism" means an act that is certified by the Secretary of the Treasury, in accordance with the provisions of the federal Terrorism Risk Insurance Act, to be an act of terrorism pursuant to such Act. The criteria contained in the Terrorism Risk Insurance Act for a "certified act of terrorism" include the following:

1. The act resulted in insured losses in excess of \$5 million in the aggregate, attributable to all types of insurance subject to the Terrorism Risk Insurance Act; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

B. The following exclusion is added:

CERTIFIED ACT OF TERRORISM EXCLUSION

We will not pay for loss or damage caused directly or indirectly by a "certified act of terrorism". Such loss or damage is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss.

C. Exception Covering Certain Fire Losses

The following exception to the exclusion in Paragraph B. applies only if indicated and as indicated in the Schedule of this endorsement.

If a "certified act of terrorism" results in fire, we will pay for the loss or damage caused by that fire. Such coverage for fire applies only to direct loss or damage by fire to Covered Property. Therefore, for example, the coverage does not apply to insurance provided under Business Income and/or Extra Expense coverage forms or endorsements which apply to those forms, or to the Legal Liability Coverage Form or the Leasehold Interest Coverage Form.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

D. Application Of Other Exclusions

The terms and limitations of any terrorism exclusion, or the inapplicability or omission of a terrorism exclusion, do not serve to create coverage for any loss which would otherwise be excluded under this Coverage Part or Policy, such as losses excluded by the Nuclear Hazard Exclusion or the War And Military Action Exclusion.

ORDINANCE OR LAW COVERAGE

This endorsement modifies insurance provided under the following:

<small>Information required to complete this Schedule, if not shown above, will be shown in the Declarations.</small>				

A. Each Coverage – Coverage A, Coverage B and Coverage C – is provided under this endorsement only if that Coverage(s) is chosen by entry in the above Schedule and then only with respect to the building identified for that Coverage(s) in the Schedule.

B. Application Of Coverage(s)

The Coverage(s) provided by this endorsement applies with respect to an ordinance or law that regulates the demolition, construction or repair of buildings, or establishes zoning or land use requirements at the described premises, subject to the following:

1. The requirements of the ordinance or law are in force at the time of loss. But if the Post-Loss Ordinance Or Law Option is indicated in the Schedule as being applicable, then Paragraph **B.2.** applies instead of this Paragraph **B.1.**

2. The requirements of the ordinance or law are in force at the time of loss; or the ordinance or law is promulgated or revised after the loss but prior to commencement of reconstruction or repair and provided that such ordinance or law requires compliance as a condition precedent to obtaining a building permit or certificate of occupancy.

3. Coverage under this endorsement applies only in response to the minimum requirements of the ordinance or law. Losses and costs incurred in complying with recommended actions or standards that exceed actual requirements are not covered under this endorsement.

4. Coverage under this endorsement applies only if:
 - a. The building sustains only direct physical damage that is covered under this policy and as a result of such damage, you are required to comply with the ordinance or law; or
 - b. The building sustains both direct physical damage that is covered under this policy and direct physical damage that is not covered under this policy, and as a result of the building damage in its entirety, you are required to comply with the ordinance or law.

However, there is no coverage under this endorsement if the building sustains direct physical damage that is not covered under this policy, and such damage is the subject of the ordinance or law, even if the building has also sustained covered direct physical damage.

5. If coverage applies under this endorsement based on the terms of Paragraph **B.4.b.**, we will not pay the full amount of loss otherwise payable under the terms of Coverages **A**, **B**, and/or **C** of this endorsement. Instead, we will pay a proportion of such loss, meaning the proportion that the covered direct physical damage bears to the total direct physical damage.

(Paragraph **F**. of this endorsement provides an example of this procedure.)

However, if the covered direct physical damage, alone, would have resulted in a requirement to comply with the ordinance or law, then we will pay the full amount of loss otherwise payable under the terms of Coverages **A**, **B** and/or **C** of this endorsement.

6. We will not pay under this endorsement for:
 - a. Enforcement of or compliance with any ordinance or law which requires the demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or
 - b. The costs associated with the enforcement of or compliance with any ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.

7. We will not pay under this endorsement for any loss in value or any cost incurred due to an ordinance or law that you were required to comply with before the time of the current loss, even in the absence of building damage, if you failed to comply.

C. Coverage

1. Coverage A – Coverage For Loss To The Undamaged Portion Of The Building

With respect to the building that has sustained covered direct physical damage, we will pay under Coverage **A** for the loss in value of the undamaged portion of the building as a consequence of a requirement to comply with an ordinance or law that requires demolition of undamaged parts of the same building.

Coverage **A** is included within the Limit Of Insurance applicable to such building as shown in the Declarations or addressed elsewhere in this policy. Coverage **A** does not increase the Limit of Insurance.

2. Coverage B – Demolition Cost Coverage

With respect to the building that has sustained covered direct physical damage, we will pay the cost to demolish and clear the site of undamaged parts of the same building as a consequence of a requirement to comply with an ordinance or law that requires demolition of such undamaged property.

The Coinsurance Additional Condition does not apply to Demolition Cost Coverage.

3. Coverage C – Increased Cost Of Construction Coverage

- a. With respect to the building that has sustained covered direct physical damage, we will pay the increased cost to:

- (1) Repair or reconstruct damaged portions of that building; and/or
- (2) Reconstruct or remodel undamaged portions of that building, whether or not demolition is required;

when the increased cost is a consequence of a requirement to comply with the minimum standards of the ordinance or law.

However:

- (1) This coverage applies only if the restored or remodeled property is intended for similar occupancy as the current property, unless such occupancy is not permitted by zoning or land use ordinance or law.

- (2) We will not pay for the increased cost of construction if the building is not repaired, reconstructed or remodeled.

The Coinsurance Additional Condition does not apply to Increased Cost of Construction Coverage.

- b. When a building is damaged or destroyed and Coverage **C** applies to that building in accordance with Paragraph **C.3.a.** above, coverage for the increased cost of construction also applies to repair or reconstruction of the following, subject to the same conditions stated in Paragraph **C.3.a.:**

- (1) The cost of excavations, grading, backfilling and filling;
- (2) Foundation of the building;
- (3) Pilings; and
- (4) Underground pipes, flues and drains.

The items listed in **b.(1)** through **b.(4)** above are deleted from Property Not Covered, but only with respect to the coverage described in this provision, **3.b.**

D. Loss Payment

- 1. All following loss payment provisions, **D.2.** through **D.5.**, are subject to the apportionment procedures set forth in Paragraph **B.5.** of this endorsement.
- 2. When there is a loss in value of an undamaged portion of a building to which Coverage **A** applies, the loss payment for that building, including damaged and undamaged portions, will be determined as follows:
 - a. If the Replacement Cost Coverage Option applies and such building is being repaired or replaced, on the same or another premises, we will not pay more than the lesser of:
 - (1) The amount you would actually spend to repair, rebuild or reconstruct such building, but not for more than the amount it would cost to restore the building on the same premises and to the same height, floor area, style and comparable quality of the original property insured; or

- (2) The Limit Of Insurance applicable to such building as shown in the Declarations or addressed elsewhere in this policy. (If this policy is endorsed to cover Earthquake and/or Flood as a Covered Cause of Loss, the Limit of Insurance applicable to the building in the event of damage by such Covered Cause of Loss may be lower than the Limit of Insurance that otherwise would apply.)

- b. If the Replacement Cost Coverage Option applies and such building is **not** repaired or replaced, or if the Replacement Cost Coverage Option does **not** apply, we will not pay more than the lesser of:

- (1) The actual cash value of such building at the time of loss; or

- (2) The Limit Of Insurance applicable to such building as shown in the Declarations or addressed elsewhere in this policy. (If this policy is endorsed to cover Earthquake and/or Flood as a Covered Cause of Loss, the Limit of Insurance applicable to the building in the event of damage by such Covered Cause of Loss may be lower than the Limit of Insurance that otherwise would apply.)

- 3. Unless Paragraph **D.5.** applies, loss payment under Coverage **B** – Demolition Cost Coverage will be determined as follows:

We will not pay more than the lesser of the following:

- a. The amount you actually spend to demolish and clear the site of the described premises; or
- b. The applicable Limit Of Insurance shown for Coverage **B** in the Schedule.

4. Unless Paragraph **D.5.** applies, loss payment under Coverage **C** – Increased Cost Of Construction Coverage will be determined as follows:

a. We will not pay under Coverage **C**:

- (1) Until the building is actually repaired or replaced, at the same or another premises; and
- (2) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

b. If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay under Coverage **C** is the lesser of:

- (1) The increased cost of construction at the same premises; or
- (2) The applicable Limit Of Insurance shown for Coverage **C** in the Schedule.

c. If the ordinance or law requires relocation to another premises, the most we will pay under Coverage **C** is the lesser of:

- (1) The increased cost of construction at the new premises; or
- (2) The applicable Limit Of Insurance shown for Coverage **C** in the Schedule.

5. If a Combined Limit Of Insurance is shown for Coverages **B** and **C** in the Schedule, Paragraphs **D.3.** and **D.4.** do not apply with respect to the building that is subject to the Combined Limit, and the following loss payment provisions apply instead:

The most we will pay, for the total of all covered losses for Demolition Cost and Increased Cost of Construction, is the Combined Limit Of Insurance shown for Coverages **B** and **C** in the Schedule. Subject to this Combined Limit of Insurance, the following loss payment provisions apply:

a. For Demolition Cost, we will not pay more than the amount you actually spend to demolish and clear the site of the described premises.

b. With respect to the Increased Cost of Construction:

- (1) We will not pay for the increased cost of construction:
 - (a) Until the building is actually repaired or replaced, at the same or another premises; and

- (b) Unless the repair or replacement is made as soon as reasonably possible after the loss or damage, not to exceed two years. We may extend this period in writing during the two years.

- (2) If the building is repaired or replaced at the same premises, or if you elect to rebuild at another premises, the most we will pay for the increased cost of construction is the increased cost of construction at the same premises.

- (3) If the ordinance or law requires relocation to another premises, the most we will pay for the increased cost of construction is the increased cost of construction at the new premises.

E. The terms of this endorsement apply separately to each building to which this endorsement applies.

F. Example of proportionate loss payment for Ordinance Or Law Coverage Losses (procedure as set forth in Paragraph **B.5.**)

Assume:

- Wind is a Covered Cause of Loss; Flood is an excluded Cause of Loss
- The building has a value of \$200,000
- Total direct physical damage to building: \$100,000
- The ordinance or law in this jurisdiction is enforced when building damage equals or exceeds 50% of the building's value
- Portion of direct physical damage that is covered (caused by wind): \$30,000
- Portion of direct physical damage that is not covered (caused by flood): \$70,000
- Loss under Ordinance Or Law Coverage **C** of this endorsement: \$60,000

Step 1: Determine the proportion that the covered direct physical damage bears to the total direct physical damage.

$$\$30,000 \div \$100,000 = .30$$

Step 2: Apply that proportion to the Ordinance or Law loss.

$$\$60,000 \times .30 = \$18,000$$

In this example, the most we will pay under this endorsement for the Coverage **C** loss is \$18,000, subject to the applicable Limit of Insurance and any other applicable provisions.

Note: The same procedure applies to losses under Coverages **A** and **B** of this endorsement.

G. The following definition is added:

"Fungus" means any type or form of fungus, including mold or mildew, and any mycotoxins, spores, scents or by-products produced or released by fungi.

This endorsement modifies insurance provided under the following:

CAUSES OF LOSS – BROAD FORM
CAUSES OF LOSS – SPECIAL FORM
STANDARD PROPERTY POLICY

SCHEDULE

Premises Number	Building Number
ALL	ALL
Information required to complete this Schedule, if not shown above, will be shown in the Declarations.	

With respect to the location(s) indicated in the Schedule, the following provisions apply.

A. The following is added to the **Exclusions** section and is therefore **not** a Covered Cause of Loss:

WINDSTORM OR HAIL

We will not pay for loss or damage:

1. Caused directly or indirectly by Windstorm or Hail, regardless of any other cause or event that contributes concurrently or in any sequence to the loss or damage; or
2. Caused by rain, snow, sand or dust, whether driven by wind or not, if that loss or damage would not have occurred but for the Windstorm or Hail.

But if Windstorm or Hail results in a cause of loss other than rain, snow, sand or dust, and that resulting cause of loss is a Covered Cause of Loss, we will pay for the loss or damage caused by such Covered Cause of Loss. For example, if the Windstorm or Hail damages a heating system and fire results, the loss or damage attributable to the fire is covered subject to any other applicable policy provisions.

B. The terms of the Windstorm Or Hail exclusion, or the inapplicability of this exclusion to a particular loss, do not serve to create coverage for any loss that would otherwise be excluded under this policy.

C. Under **Additional Coverage – Collapse**, in the Causes Of Loss – Broad Form, Windstorm or Hail is deleted from Paragraph **2.a**.

D. In the Causes Of Loss – Special Form, Windstorm or Hail is deleted from the "specified causes of loss".

FLORIDA CHANGES

This endorsement modifies insurance provided under the following:

COMMERCIAL PROPERTY COVERAGE PART

- A.** When this endorsement is attached to Standard Property Policy **CP 00 99**, the term Coverage Part in this endorsement is replaced by the term Policy.
- B.** The following provision applies when a Coinsurance percentage is shown in the Declarations:
Florida law states as follows:
Coinsurance contract: The rate charged in this policy is based upon the use of the coinsurance clause attached to this policy, with the consent of the Insured.

C. The following is added:

If windstorm is a Covered Cause of Loss and loss or damage to Covered Property is caused by or results from windstorm, the following exclusion applies in:

1. Broward County;
2. Dade County;
3. Martin County;
4. Monroe County;
5. Palm Beach County; and
6. All the areas east of the west bank of the Intracoastal Waterway in the counties of:
 - a. Indian River; and
 - b. St. Lucie.

Windstorm Exterior Paint And Waterproofing Exclusion

We will not pay for loss or damage caused by windstorm to:

1. Paint; or
2. Waterproofing material;

applied to the exterior of buildings unless the building to which such loss or damage occurs also sustains other loss or damage by windstorm in the course of the same storm event. But such coverage applies only if windstorm is a Covered Cause of Loss.

When loss or damage to exterior paint or waterproofing material is excluded, we will not include the value of paint or waterproofing material to determine:

- a. The amount of the Windstorm or Hail Deductible; or
- b. The value of Covered Property when applying the Coinsurance Condition.

D. The **Loss Payment** Condition dealing with the number of days within which we must pay for covered loss or damage is replaced by the following:

Provided you have complied with all the terms of this Coverage Part, we will pay for covered loss or damage upon the earliest of the following:

- (1) Within 20 days after we receive the sworn proof of loss and reach written agreement with you;
- (2) Within 30 days after we receive the sworn proof of loss and:
 - (a) There is an entry of a final judgment; or
 - (b) There is a filing of an appraisal award with us; or
- (3) Within 90 days of receiving notice of an initial, reopened or supplemental claim, unless we deny the claim during that time or factors beyond our control reasonably prevent such payment. If a portion of the claim is denied, then the 90-day time period for payment of claim relates to the portion of the claim that is not denied.

Paragraph (3) applies only to the following:

- (a) A claim under a policy covering residential property;
- (b) A claim for building or contents coverage if the insured structure is 10,000 square feet or less and the policy covers only locations in Florida; or

- (c) A claim for contents coverage under a tenant's policy if the rented premises are 10,000 square feet or less and the policy covers only locations in Florida.

E. Sinkhole Collapse Coverage Removed

Sinkhole Collapse coverage is removed, as indicated in Paragraphs **E.1.** through **E.4.**; and coverage for Catastrophic Ground Cover Collapse is added instead as set forth in Paragraph **F.**

1. In the Causes Of Loss – Basic Form and in the Standard Property Policy, Sinkhole Collapse is deleted from the Covered Causes of Loss and sinkhole collapse is no longer an exception to the Earth Movement Exclusion.
2. In the Causes Of Loss – Broad Form, Sinkhole Collapse is deleted from the Covered Causes of Loss and from the Additional Coverage – Collapse; and sinkhole collapse is no longer an exception to the Earth Movement Exclusion.
3. In the Causes Of Loss – Special Form, Sinkhole Collapse is deleted from the "specified causes of loss" and is no longer an exception to the Earth Movement Exclusion.
4. In the Mortgageholders Errors And Omissions Coverage Form, Sinkhole Collapse is deleted from the Covered Causes of Loss under Coverage **B** and from the "specified causes of loss", and is no longer an exception to the Earth Movement Exclusion.

Further, this Coverage Part does not insure against Sinkhole Loss as defined in Florida law unless an endorsement for Sinkhole Loss is made part of this policy. However, if Sinkhole Loss causes Catastrophic Ground Cover Collapse, coverage is provided for the resulting Catastrophic Ground Cover Collapse even if an endorsement for Sinkhole Loss is not made part of this policy.

- F.** The following is added to this Coverage Part as a Covered Cause of Loss. In the Causes Of Loss – Special Form and Mortgageholders Errors And Omissions Coverage Form, the following is also added as a "specified cause of loss". However, as a "specified cause of loss", the following does not apply to the Additional Coverage – Collapse.

Catastrophic Ground Cover Collapse

We will pay for direct physical loss or damage to Covered Property caused by or resulting from catastrophic ground cover collapse, meaning geological activity that results in all of the following:

1. The abrupt collapse of the ground cover;
2. A depression in the ground cover clearly visible to the naked eye;
3. "Structural damage" to the building, including the foundation; and
4. The insured structure being condemned and ordered to be vacated by the governmental agency authorized by law to issue such an order for that structure.

However, damage consisting merely of the settling or cracking of a foundation, structure or building does not constitute loss or damage resulting from a catastrophic ground cover collapse.

The **Earth Movement** Exclusion and the **Collapse** Exclusion do not apply to coverage for Catastrophic Ground Cover Collapse.

Coverage for Catastrophic Ground Cover Collapse does not increase the applicable Limit of Insurance. Regardless of whether loss or damage attributable to catastrophic ground cover collapse also qualifies as Sinkhole Loss or Earthquake (if either or both of those causes of loss are covered under this Coverage Part), only one Limit of Insurance will apply to such loss or damage.

- G.** The following applies to the **Additional Coverage – Civil Authority** under the Business Income (And Extra Expense) Coverage Form, Business Income (Without Extra Expense) Coverage Form and Extra Expense Coverage Form:

1. The Additional Coverage – Civil Authority includes a requirement that the described premises are not more than one mile from the damaged property. With respect to described premises located in Florida, such one-mile radius does not apply.
2. The Additional Coverage – Civil Authority is limited to a coverage period of up to four weeks. With respect to described premises located in Florida, such four-week period is replaced by a three-week period.
3. Civil Authority coverage is subject to all other provisions of that Additional Coverage.

H. The following provisions are added to the Duties In The Event Of Loss Or Damage Loss Condition:

- (1) A claim or reopened claim for loss or damage caused by any peril is barred unless notice of claim is given to us in accordance with the terms of this policy within two years after the date of loss. A reopened claim means a claim that we have previously closed but that has been reopened upon an insured's request for additional costs for loss or damage previously disclosed to us.

A supplemental claim is barred unless notice of the supplemental claim was given to us in accordance with the terms of the policy within three years after the date of loss. A supplemental claim means a claim for additional loss or damage from the same peril which we have previously adjusted or for which costs have been incurred while completing repairs or replacement pursuant to an open claim for which timely notice was previously provided to us.

For claims resulting from hurricanes, tornadoes, windstorms, severe rain or other weather-related events, the date of loss is the date that the hurricane made landfall or the tornado, windstorm, severe rain or other weather-related event is verified by the National Oceanic and Atmospheric Administration.

This provision concerning time for submission of claim, supplemental claim or reopened claim does not affect any limitation for legal action against us as provided in this policy under the Legal Action Against Us Condition, including any amendment to that condition.

- (2) Any inspection or survey by us, or on our behalf, of property that is the subject of a claim, will be conducted with at least 48 hours' notice to you. The 48-hour notice may be waived by you.

I. The following definition of structural damage is added with respect to the coverage provided under this endorsement:

"Structural damage" means a covered building, regardless of the date of its construction, has experienced the following.

1. Interior floor displacement or deflection in excess of acceptable variances as defined in ACI 117-90 or the Florida Building Code, which results in settlement related damage to the interior such that the interior building structure or members become unfit for service or represent a safety hazard as defined within the Florida Building Code;
2. Foundation displacement or deflection in excess of acceptable variances as defined in ACI 318-95 or the Florida Building Code, which results in settlement related damage to the primary structural members or primary structural systems that prevents those members or systems from supporting the loads and forces they were designed to support to the extent that stresses in those primary structural members or primary structural systems exceed one and one-third the nominal strength allowed under the Florida Building Code for new buildings of similar structure, purpose, or location;

4. Damage that results in the building, or any portion of the building containing primary structural members or primary structural systems, being significantly likely to imminently collapse because of the movement or instability of the ground within the influence zone of the supporting ground within the sheer plane necessary for the purpose of supporting such building as defined within the Florida Building Code; or

Equipment Breakdown Coverage Part

In order to determine what is and is not covered under this policy, as well as the rights and duties associated with it, you should carefully read the entire policy. Some provisions of this policy restrict coverage or impose duties.

The Named Insured as shown in the Declarations is referred to throughout this policy by the words “you” and “your”, while the Company providing this insurance is referred to by the words “we”, “us” and “our”.

When a word or phrase appears in quotation marks, this indicates that it has a special meaning in the context of this policy. The applicable definition can be found in Section G.

Throughout this policy, information that is referred to as being shown in the Declarations includes information shown in an endorsement, schedule or other document that is listed in the Declarations.

Examples are shown for illustrative purposes only and do not represent predicted or expected outcomes.

A. COVERAGE

This Equipment Breakdown Coverage provides insurance for a Covered Cause of Loss as defined in A.1. below. In the event of a Covered Cause of Loss, we will pay for loss as described in A.2. below.

1. Covered Cause of Loss

The Covered Cause of Loss for this Equipment Breakdown Coverage is an “accident” or “electronic circuitry impairment”. Without a Covered Cause of Loss there is no Equipment Breakdown Coverage.

2. Coverages Provided

This section lists the coverages that may apply in the event of a Covered Cause of Loss. Each coverage is subject to a specific limit as shown in the Declarations. See paragraph C.2. for details.

These coverages apply only to the direct result of a Covered Cause of Loss. For each coverage, we will pay only for that portion of the loss, damage or expense that is solely attributable to the Covered Cause of Loss.

a. Property Damage

We will pay for physical damage to “covered property” that is at a location covered under this policy at the time of the Covered Cause of Loss. We will consider “electronic circuitry impairment” to be physical damage to “covered equipment”.

b. Business Income

- (1) We will pay your actual loss of “business income” during the “period of restoration”, when such loss results directly from the necessary total or partial interruption of your business.
- (2) We will also pay any necessary expenses you incur during the “period of restoration” to reduce the amount of loss under this Business Income coverage. However, we will not pay more than the amount that would otherwise have been payable under this Business Income coverage.
- (3) We will consider the actual experience of your business before the Covered Cause of Loss and the experience you probably would have had without the Covered Cause of Loss in determining the amount of our payment.

c. Extra Expense

We will pay the reasonable and necessary “extra expense” to operate your business during the “period of restoration”.

d. Civil or Military Authority

We will pay for your loss and expense as defined under A.2.b. Business Income and A.2.c. Extra Expense that results from a civil or military authority prohibiting access to a location covered under this policy due solely to a Covered Cause of Loss that causes damage to property within one mile of such location, provided that such action is taken in response to dangerous physical conditions resulting from the Covered Cause of Loss, or to enable a civil or military authority to have unimpeded access to the damaged property.

e. Contingent Business Income and Extra Expense

We will pay for your loss and expense as defined under A.2.b. Business Income and A.2.c. Extra Expense that results from:

- (1) An “interruption of supply”; or
- (2) A Covered Cause of Loss to “covered equipment” at an “anchor location” that has been open for business for at least six months prior to the Covered Cause of Loss and is located within one mile of a location shown in the Declarations.

f. Course of Construction

This coverage is automatically included and does not need to be shown in the Declarations.

- (1) You will notify us promptly of any expansion or rehabilitation of any location covered under this policy.
- (2) All coverages applicable to any location covered under this policy are extended to an expansion or rehabilitation of that location.
- (3) This coverage begins at the time you begin the expansion or rehabilitation project.
- (4) We will charge you additional premium for newly acquired equipment from the date the equipment is installed.

g. Data Restoration

- (1) We will pay for your reasonable and necessary cost to research, replace or restore lost “data”.
- (2) We will pay for your reasonable and necessary cost to research, replace or restore “data” that is lost as the result of an “interruption of service”.
- (3) Coverage under (2) above applies to “data” stored in “covered equipment” or in the equipment of a “cloud or outsourced computing services” provider with whom you have a contract.
- (4) We will also pay for your loss and expense as defined under A.2.b. Business Income and A.2.c. Extra Expense that is the result of (1) and (2) above, if such coverage is otherwise applicable under this policy. This coverage is included within and subject to your Data Restoration limit.

h. Demolition

- (1) This coverage applies if a Covered Cause of Loss damages a building that is “covered property” and the loss is increased by an ordinance or law that:
 - (a) Requires the demolition of a building that is otherwise repairable;
 - (b) Is in force at the time of the Covered Cause of Loss; and
 - (c) Is not addressed under A.2.i. Hazardous Substances or A.2.o. Mold.
- (2) We will pay for the following Additional Costs to comply with such ordinance or law:
 - (a) Your actual and necessary cost to demolish and clear the site of the undamaged parts of the building; and
 - (b) Your actual and necessary cost to reconstruct the undamaged parts of the building.
- (3) As used in this Demolition coverage, Additional Costs mean those beyond what would have been payable under this Equipment Breakdown Coverage had no such ordinance or law been in force at the time of the Covered Cause of Loss.
- (4) We will also pay for your loss and expense as defined under A.2.b. Business Income and A.2.c. Extra Expense that is the result of (1) above, if such coverage is otherwise applicable under this policy. This coverage is included within and subject to your Demolition limit.

i. Expediting Expenses

With respect to your damaged “covered property”, we will pay the reasonable and necessary extra cost to:

- (1) Make temporary repairs; and
- (2) Expedite permanent repairs or replacement.

j. Future Loss Avoidance

- (1) This coverage only applies if you have received payment under this Equipment Breakdown Coverage for a Covered Cause of Loss that occurred on the premises of a location shown in the

Declarations.

- (2) We will pay your costs to purchase and install Protective Equipment at the location of the loss as follows:
 - (a) Electrical surge protection or single phase Protective Equipment; or
 - (b) Other Protective Equipment if we agree that such equipment would reasonably reduce the likelihood of a future Covered Cause of Loss similar to the one for which you have received payment from us. We will not unreasonably withhold such agreement.
- (3) As used in this coverage, Protective Equipment means a permanently-installed physical device with the principal function of safeguarding one or more pieces of "covered equipment" from physical damage.
- (4) We must receive your invoices for any purchase and installation costs no later than 180 days after the date you receive the payment for the loss from us.
- (5) With respect to any "one equipment breakdown", the most we will pay is the lesser of the following:
 - (a) 10% of our Eligible Payment to you prior to any payment under this Future Loss Avoidance coverage; or
 - (b) The amount shown in the Declarations as the Future Loss Avoidance limit.
- (6) As used in this coverage, Eligible Payment means our total payment to you not including the following:
 - (a) Any deductible or coinsurance amount; or
 - (b) Any payment made after this policy has been cancelled or non-renewed.

k. Green

- (1) With respect to "covered property", we will pay for Additional Costs you incur:
 - (a) To repair damaged property using equipment, materials and service firms required or recommended by a Recognized Environmental Standards Program, if repair is the least expensive option as described in E.11.a. (part of Valuation condition);
 - (b) To replace damaged property using equipment, materials and service firms required or recommended by a Recognized Environmental Standards Program, if replacement is the least expensive option as described in E.11.a. (part of Valuation condition);
 - (c) To dispose of damaged property or equipment, if practicable, through a recycling process; and
 - (d) To flush out reconstructed space with up to 100% outside air using new filtration media.

As used in this Green coverage, Additional Costs mean those beyond what would have been payable under this Equipment Breakdown Coverage in the absence of this Green coverage.
- (2) With respect to any building that is "covered property" which, at the time of the Covered Cause of Loss was certified by a Recognized Environmental Standards Program, we will pay for costs you incur:
 - (a) To prevent a lapse of such certification;
 - (b) To reinstate the certification or replace it with an equivalent certification;
 - (c) For an engineer authorized by a Recognized Environmental Standards Program to oversee the repair or replacement of the damaged "covered property"; and
 - (d) For a Professional Engineer to commission or recommission your damaged mechanical, electrical or electronic building systems.
- (3) We will also pay for your loss and expense as defined under A.2.b. Business Income and A.2.c. Extra Expense that is the result of (1) and (2) above, if such coverage is otherwise applicable under this policy. This coverage is included within and subject to your Green limit.
- (4) This Green coverage is subject to the following provisions:
 - (a) This coverage applies in addition to any coverage that may apply under E.11.d. Environmental, Safety and Efficiency Improvements, or any other applicable coverage.
 - (b) This coverage only applies to "covered property" that must be repaired or replaced as a

 - a. The excluded peril occurs away from any location covered under this policy and causes an electrical surge or other electrical disturbance;
 - b. Such surge or disturbance is transmitted through utility service transmission lines to the covered location;
 - c. At the covered location, the surge or disturbance results in a Covered Cause of Loss to "covered equipment" that is owned or operated under the control of you or your landlord; and
 - d. The loss, damage or expense caused by such surge or disturbance is not a covered cause of loss under another coverage part or policy of insurance you have, whether collectible or not, and without regard to whether or not the other coverage part or policy of insurance provides the same coverage or scope of coverage as this policy.

6. With respect to A.2.b. Business Income, A.2.c. Extra Expense and A.2.v. Service Interruption, we will also not pay for:
 - a. Loss associated with business that would not have taken place even if the Covered Cause of Loss had not occurred;
 - b. Loss caused by your failure to use all reasonable means and appropriate speed to resume business;
 - c. That part of any loss that extends beyond or occurs after the “period of restoration”. This includes, but is not limited to:
 - (1) “Business income” that would have been earned after the “period of restoration”, even if such loss is the direct result of the suspension, lapse or cancellation of a contract during the “period of restoration”; and
 - (2) “Extra expense” to operate your business after the “period of restoration”, even if such loss is contracted for and paid during the “period of restoration”.
 - d. Any increase in loss resulting from an agreement between you and your customer, supplier or contractor. This includes, but is not limited to, contingent bonuses or penalties, late fees, demand charges, demurrage charges and liquidated damages.
7. With respect to A.2.d. Civil or Military Authority, A.2.e. Contingent Business Income and Extra Expense, A.2.g.(2) (part of Data Restoration coverage), A.2.q. Off Premises Equipment Breakdown, A.2.v. Service Interruption and A.2.w.(2) (part of Spoilage and Consequential Damage coverage), we will also not pay for:
 - a. A Covered Cause of Loss caused by or resulting from any of the perils listed in Exclusion 4. above, whether or not such peril is a covered cause of loss under another coverage part or policy of insurance you have;
 - b. Any direct or indirect loss, damage or expense caused by or resulting from a “cyber event”.
8. With respect to A.2.g. Data Restoration, we will also not pay to reproduce:
 - a. Software programs or operating systems that are not commercially available; or
 - b. “Data” that is obsolete, unnecessary or useless to you.
9. With respect to A.2.h. Demolition and A.2.r. Ordinance or Law, we will also not pay for:
 - a. Increased demolition or reconstruction costs until they are actually incurred; or
 - b. Loss due to any ordinance or law that:
 - (1) You were required to be in compliance with before the loss, even if the building was undamaged; and
 - (2) You failed to be in compliance with; whether or not you were aware of such non-compliance.
10. With respect to A.2.q. Off Premises Equipment Breakdown, we will also not pay for “spoilage and consequential damage” to any “perishable goods”.

C. LIMITS OF INSURANCE

Any payment made under this Equipment Breakdown Coverage will not be increased if multiple insureds are shown in the Declarations or if you are comprised of more than one legal entity.

1. Equipment Breakdown Limit

The most we will pay for loss, damage or expense arising from any “one equipment breakdown” is the amount shown in the Declarations as the Equipment Breakdown Limit.

2. Coverage Limits

- a. The limit of your insurance under each of the coverages listed in A.2. from loss, damage or expense arising from any “one equipment breakdown” is the amount shown in the Declarations for that coverage. These limits are a part of, and not in addition to, the Equipment Breakdown Limit. If an amount of time is shown, coverage will continue for no more than that amount of time immediately following the Covered Cause of Loss. If a coverage is shown as “Included”, that coverage is provided up to the remaining amount of the Equipment Breakdown Limit. If no limit is shown in the Declarations for a coverage, or if a coverage is shown in the Declarations as Excluded, that coverage will be considered to have a limit of \$0.

- b. Loss arising from any “one equipment breakdown” may continue to be present or recur in a later policy period. This includes, but is not limited to, loss arising from mold, fungus, mildew or yeast as covered under A.2.o. Mold. In such a case, the most we will pay for all loss, damage or expense arising out of any “one equipment breakdown” is the coverage limit applicable at the time of the Covered Cause of Loss.
- c. If two or more coverage limits apply to the same loss or portion of a loss, we will pay only the smallest of the applicable limits for that loss or portion of the loss. This means that if:
 - (1) You have a loss under one of the coverages listed in A.2.; and
 - (2) All or part of the loss is not covered because the applicable coverage is Excluded or has a limit that is less than the amount of your loss,
 we will not pay the remaining amount of such loss under any other coverage.

EXAMPLE 1

Property Damage Limit: \$7,000,000

Business Income Limit: \$1,000,000

Newly Acquired Locations Limit: \$500,000

There is a Covered Cause of Loss at a newly acquired location that results in a Property Damage loss of \$200,000 and a Business Income loss of \$800,000.

We will pay \$500,000, because the entire loss is subject to the Newly Acquired Locations Limit of \$500,000.

EXAMPLE 2

Property Damage Limit: \$7,000,000

Business Income Limit: \$500,000

Hazardous Substances Limit: \$25,000

There is a Covered Cause of Loss that results in a loss of \$100,000. If no “hazardous substance” had been involved, the property damage loss would have been \$10,000 and the business income loss would have been \$20,000. The presence of the “hazardous substance” increased the loss by \$70,000 (increasing the clean up and repair costs by \$30,000 and increasing the business income loss by \$40,000).

We will pay \$55,000 (\$10,000 property damage plus \$20,000 business income plus \$25,000 hazardous substances).

D. DEDUCTIBLES

1. Deductibles for Each Coverage

- a. Unless shown in the Declarations that your deductible is combined for all coverages, multiple deductibles may apply to any “one equipment breakdown”.
- b. We will not pay for loss, damage or expense under any coverage until the amount of the covered loss, damage or expense exceeds the deductible amount shown in the Declarations for that coverage. We will then pay the amount of loss, damage or expense in excess of the applicable deductible amount, subject to the applicable limit shown in the Declarations.
- c. If deductibles vary by type of “covered equipment” and more than one type of “covered equipment” is involved in any “one equipment breakdown”, only the highest deductible for each coverage will apply.

2. Direct and Indirect Coverages

- a. Direct Coverages Deductibles and Indirect Coverages Deductibles or Business Income Deductibles may be shown in the Declarations.
- b. Unless more specifically shown in the Declarations:
 - (1) Direct Coverages Deductibles apply to all loss, damage or expense covered by this Equipment Breakdown Coverage with the exception of Business Income and Extra Expense loss, regardless of where such Business Income and Extra Expenses coverage is provided in this Equipment Breakdown Coverage; and
 - (2) Indirect Coverages Deductibles apply to Business Income and Extra Expense loss, regardless

of where such coverage is provided in this Equipment Breakdown Coverage.

EXAMPLE

A Covered Cause of Loss results in covered losses as follows:

\$100,000 Total Loss (all applicable coverages)

\$ 35,000 Business Income Loss (including \$2,000 of business income loss payable under Data Restoration coverage)

\$ 5,000 Extra Expense Loss

In this case, the Indirect coverages loss totals \$40,000 before application of the Indirect Coverage Deductible. The Direct coverages loss totals the remaining \$60,000 before application of the Direct Coverage Deductible.

3. Application of Deductibles

a. Dollar Deductibles

Until the amount of covered loss, damage or expense resulting from any “one equipment breakdown” exceeds the applicable deductible shown in the Declarations, we will not pay for any such covered loss, damage or expense. After the amount of covered loss, damage or expense resulting from any “one equipment breakdown” exceeds the applicable deductible shown in the Declarations, we will pay the amount of such covered loss, damage or expense that is in excess of the applicable deductible. However, we will not pay more than the applicable limits shown in the Declarations.

b. Time Deductibles

If a time deductible is shown in the Declarations, we will not be liable for any loss occurring during the specified number of hours or days immediately following the Covered Cause of Loss. If a time deductible is expressed in days, each day will mean twenty-four consecutive hours.

c. Multiple of Average Daily Value (ADV) Deductibles

If a deductible is expressed as a number times ADV, that amount will be calculated as follows:

The ADV (Average Daily Value) will be the “business income” that would have been earned during the period of interruption had no Covered Cause of Loss occurred, divided by the number of working days in that period. The ADV applies to the “business income” value of the entire location, whether or not the loss affects the entire location. If more than one location is included in the valuation of the loss, the ADV will be the combined value of all affected locations. For purposes of this calculation, the period of interruption may not extend beyond the “period of restoration”.

The number shown in the Declarations will be multiplied by the ADV as determined above. The result will be used as the applicable deductible.

EXAMPLE

Business is interrupted, partially or completely, for 10 working days. If there had been no Covered Cause of Loss, the total “business income” at the affected location for those 10 working days would have been \$5,000. The Indirect Coverages Deductible is 3 Times ADV.

$\$5,000 / 10 = \500 ADV

$3 \times \$500 = \$1,500$ Indirect Coverages Deductible

d. Percentage of Loss Deductibles

If a deductible is expressed as a percentage of loss, we will not be liable for the indicated percentage of the gross amount of loss, damage or expense (prior to any applicable deductible or coinsurance) insured under the applicable coverage. If the dollar amount of such percentage is less than the indicated Minimum Deductible, the Minimum Deductible will be the applicable deductible.

e. Horsepower Deductibles

If a deductible is expressed as a function of horsepower, the indicated amount per horsepower will be multiplied by the horsepower rating of the applicable “covered equipment”. The resulting amount will apply as a Dollar Deductible. If the resulting amount is less than the indicated Minimum Deductible, the Minimum Deductible will be the applicable deductible. If the “covered equipment” is an air conditioning or refrigeration system, the indicated amount per horsepower will be multiplied by the horsepower rating of the system’s largest motor or compressor. If systems or components are

rated in tonnage of cooling capacity, each ton of rated capacity will be converted to horsepower in accordance with the following chart:

Horsepower Equivalent Per One Ton of Rated Cooling Capacity	
Centrifugal Compressor System	0.7 hp
Hermetic Scroll Compressor System	1.0 hp
Reciprocating Compressor System	1.5 hp
Screw Compressor System	1.5 hp
All Other Systems	4.7 hp

E. LOSS CONDITIONS

The following conditions apply in addition to the Common Policy Conditions:

1. Abandonment

No property can be abandoned to us.

2. Brands and Labels

- a. This provision applies when merchandise with a brand or label that is “covered property” has been damaged by a Covered Cause of Loss but retains a salvage value.
- b. When this provision applies, you may remove the brands or labels or stamp the word SALVAGE on the merchandise or its containers, provided that such removal or stamping will not cause physical damage to the merchandise. If you remove the brands or labels, you must re-label the merchandise or its containers as needed to comply with all applicable laws.
- c. We will pay for any reduction in value of the salvage merchandise resulting from the removal or stamping described in b. above, subject to all applicable limits.
- d. We will also pay the reasonable and necessary expenses you incur to perform the removal or stamping described in b. above. However, we will not pay more than the amount recoverable from salvage.
- e. If a Brands and Labels Limit is shown in the Declarations, we will not pay more than the indicated amount for coverage under this Condition.

3. Coinsurance - Business Income Coverage

Business Income coverage may be subject to coinsurance if so shown in the Declarations. If Business Income Coinsurance is shown in the Declarations as applicable, the following Condition applies.

- a. We will not pay the full amount of any “business income” loss if the “business income actual annual value” is greater than the “business income estimated annual value” at the affected location at the time of the Covered Cause of Loss. We will instead use the following steps to determine the most we will pay:
 - (1) Divide the “business income estimated annual value” by the “business income actual annual value” at the time of the Covered Cause of Loss;
 - (2) Multiply the total amount of the covered loss of “business income” by the amount determined in paragraph (1) above;
 - (3) Subtract the applicable deductible from the amount determined in paragraph (2) above;

The resulting amount, or the Business Income Limit, whichever is less, is the most we will pay. For the remainder, you will have to absorb the loss yourself or rely on other insurance.
- b. Coinsurance applies separately to each insured location.
- c. If you report a single “business income estimated annual value” for more than one location, without providing information on how that amount should be distributed among the locations, we will distribute the amount evenly among all applicable locations.

EXAMPLE 1 (Underinsurance)

When:

The "business income actual annual value" at the location of loss at the time of the Covered Cause of Loss is \$200,000.

The "business income estimated annual value" shown in the Declarations for the location of loss is \$100,000.

The actual loss of "business income" resulting from the Covered Cause of Loss is \$40,000.

The Business Income limit is \$100,000.

The Business Income deductible is \$5,000.

Step 1: $\$100,000 / \$200,000 = .5$

Step 2: $\$40,000 \times .5 = \$20,000$

Step 3: $\$20,000 - \$5,000 = \$15,000$

The total "business income" loss recovery, after deductible, would be \$15,000. For the remainder, you will have to absorb the loss yourself or rely on other insurance.

We will also charge you an additional premium in recognition of the actual "business income annual value".

EXAMPLE 2 (Adequate insurance)

When:

The "business income actual annual value" at the location of loss at the time of the Covered Cause of Loss is \$200,000.

The "business income estimated annual value" shown in the Declarations for the location of loss is \$200,000.

The actual loss of "business income" resulting from the Covered Cause of Loss is \$40,000.

The Business Income limit is \$100,000.

The Business Income deductible is \$5,000.

Step 1: $\$200,000 / \$200,000 = 1$

Step 2: $\$40,000 \times 1 = \$40,000$

Step 3: $\$40,000 - \$5,000 = \$35,000$

The total "business income" loss recovery, after deductible, would be \$35,000.

4. Defense

We have the right, but are not obligated, to defend you against suits brought by owners of property in your care, control or custody. When we do this, it will be at our expense.

5. Duties in the Event of Loss or Damage

In the event of loss or damage, you must see that the following are done:

- a. Promptly give us notice of the loss or damage and the property involved.
- b. You must reduce your loss, damage or expense, if possible, by:
 - (1) Protecting property from further damage. We will not pay for your failure to protect property, as stated in Exclusion B.1.c.;
 - (2) Resuming business, partially or completely, at the location of loss or at another location;
 - (3) Making up lost business within a reasonable amount of time. This includes working extra time or overtime at the location of loss or at another location. The reasonable amount of time does not necessarily end when the operations are resumed;
 - (4) Using merchandise or other property available to you;
 - (5) Using the property or services of others; and
 - (6) Salvaging the damaged property.
- c. Other than measures you take that are necessary to protect from further loss or damage, allow us a reasonable opportunity and time to examine the premises and property before removing physical

evidence of the Covered Cause of Loss or repairing or replacing property.

- d. Make no statement without our consent that will assume any obligation or admit any liability, for any loss, damage or expense for which we may be liable.
- e. Promptly send us any legal papers or notices received concerning the loss, damage or expense.
- f. Permit us to do the following as often as may be reasonably required:
 - (1) Inspect your premises, property and records;
 - (2) Take samples of property, both damaged and undamaged, for analysis, inspection and testing;
 - (3) Make copies from your books, data and records.
- g. If requested, permit us to examine you and any of your agents, employees and representatives under oath and while not in one another's presence. Such examination may be:
 - (1) At any time reasonably required;
 - (2) About any matter relating to this insurance, your loss, damage or expense, or your claim, including, but not limited to, your books and records; and
 - (3) Recorded by us by any methods we choose.
- h. Provide us with a proof of loss that is signed and sworn and contains the information we request. You must provide us with such proof of loss within 60 days of our request.
- i. Work cooperatively with us to facilitate the investigation and settlement of the claim.

6. Errors and Omissions

- a. We will pay your loss covered by this Equipment Breakdown Coverage if such loss is otherwise not payable solely because of any error or unintentional omission regarding:
 - (1) The location or description of property as insured under this policy;
 - (2) The premises that you own or occupy at the inception of this policy; or
 - (3) The cancellation of any premises that had been insured under this policy.
- b. An error or unintentional omission in the coverage you request or the values you report will not result in any coverage under this Condition.
- c. You agree, as a condition of this coverage, to report and correct such errors or unintentional omissions when you discover them.
- d. You agree, as a condition of this coverage, to pay the appropriate additional premium for any additional premises covered by this Condition. Such premium will reflect the date the premises would have been insured under this policy if no error or omission had occurred.
- e. If an Errors and Omissions Limit is shown in the Declarations, we will not pay more than the indicated amount for coverage under this Condition.

7. Joint or Disputed Loss Agreement

- a. The purpose of this Condition is to facilitate insurance claim payments when:
 - (1) A commercial property policy is in effect in addition to this equipment breakdown policy;
 - (2) There is physical damage to "covered property" that is also insured by the commercial property policy; and
 - (3) The commercial property insurer does not agree with us regarding how much of the loss, if any, should be paid under each policy.
- b. This Condition does not apply if:
 - (1) We do not:
 - (a) Admit liability for the loss; or
 - (b) Contend that the commercial property insurer's policy should provide coverage for the loss;And
 - (2) The commercial property insurer does not:
 - (a) Admit liability for the loss; or
 - (b) Contend that our policy should provide coverage for the loss.

- c. This Condition applies only when all of the following requirements are met:
- (1) At the time of the loss, the commercial property policy includes a similar provision with substantially the same conditions, procedures and requirements as those contained in this Condition.
 - (2) There is a Joint Loss or Disputed Loss as defined below.
 - (3) You, the commercial property insurer and we all agree on the total amount of the insured loss.
- d. As used in this Condition:
- (1) Joint Loss means that both the commercial property insurer and we admit to some liability for payment under our respective policies.
 - (2) Disputed Loss means that the commercial property insurer and we agree that there is some liability under one policy or the other, but disagree about which policy is liable for the loss. Disputed Loss includes a case where one insurer contends that there is liability under both policies while the other insurer contends that the entire loss is covered under the other insurer's policy.
- e. If the requirements of this Condition are satisfied, the agreed amount of insured loss will be paid to you as follows:
- (1) After your written request, we and the commercial property insurer will each pay you the entire amount of loss, if any, that we have agreed as being covered by our respective policies, and each of us will also pay you 50% of the amount of the insured loss that is in disagreement.
 - (2) Payments of the amounts that are in disagreement, as described in (1) above, do not alter, surrender or waive any rights of any insurer against any other.
 - (3) The amount in disagreement to be paid by us under this Condition will not exceed the amount payable under the equivalent condition of the commercial property policy.
 - (4) The amount payable under this Condition will not exceed the amount we would have paid if there had not been a commercial property policy in effect at the time of loss. In no event will we pay more than the Equipment Breakdown Limit or other applicable coverage limit.
 - (5) Your acceptance of sums paid under this Condition does not alter, surrender or waive any other rights against us.
- f. **Arbitration**
- (1) We, along with the commercial property insurer, agree to submit our differences to arbitration within 90 days after payment of the loss under the terms of this Condition.
 - (2) You agree to cooperate with any arbitration process triggered by this Condition.
 - (3) We will appoint one arbitrator and the commercial property insurer will appoint one arbitrator. These two arbitrators may agree on a third arbitrator. Alternatively, either arbitrator may request that the selection of a third arbitrator be made by a judge of a court having jurisdiction in this matter.
 - (4) When a decision on the arbitrated dispute is agreed to by any two of the three arbitrators, such decision will be binding on both parties. Judgment on any award can be entered in any court that has jurisdiction.
- g. **Settlement Terms**
- When an insurer is found by the decision of the arbitration panel to be responsible for more of the disputed loss than the 50% share that the insurer initially paid in accordance with this Condition, that insurer must pay the following to the other insurer:
- (1) The portion of the disputed loss in excess of 50% that the insurer has been found to be responsible for.
 - (2) Liquidated Damages on the amount owed under (1) above. As used in this Condition, Liquidated Damages means interest from the date the insured invokes this Condition to the date the amount under (1) above is paid. The interest rate will be the highest prime rate from the Money Rates column of the Wall Street Journal during the period of the Liquidated Damages multiplied by 1.5.
- Each insurer will also owe for its share of the arbitration expenses. These expenses will be divided

between the insurers in proportion to how the disputed loss is apportioned.

- h. At the time of the loss, if there is more than one applicable commercial property insurer, the conditions, procedures and requirements under this Condition will apply to all such insurers. Any payments due under this Condition will be divided among such commercial property insurers in the same manner as any other covered commercial property loss. Similarly, at the time of the loss, if there is more than one applicable equipment breakdown insurer, the conditions, procedures and requirements under this Condition will apply to all such insurers. Any payments due under this Condition will be divided among such equipment breakdown insurers in the same manner as any other covered equipment breakdown loss.

8. Knowledge of Occurrence

We will not consider you to have knowledge of an occurrence based only on the knowledge of your agent or employee, unless such person is your principal, partner, officer or risk manager.

9. Proving Your Loss

It is your responsibility, at your own expense, to provide documentation to us:

- a. Demonstrating that the loss, damage or expense is the result of a Covered Cause of Loss covered under this Equipment Breakdown Coverage; and
- b. Except as specifically provided for in A.2.s. Professional Fees, calculating the dollar amount of the loss, damage and expense that you claim is covered.

Your responsibility in a. above is without regard to whether or not the possible Covered Cause of Loss occurred at your premises or involved your equipment.

10. Salvage and Recoveries

When, in connection with any loss under this Equipment Breakdown Coverage, any salvage or recovery is received after the payment for such loss, the amount of the loss will be refigured on the basis on which it would have been settled had the amount of salvage or recovery been known at the time the loss was originally determined. Any amounts thus found to be due either party from the other will be paid promptly.

11. Valuation

We will determine the value of "covered property" as follows:

- a. Except as specified otherwise, our payment for damaged "covered property" will be the least expensive of:
 - (1) The cost to repair the damaged property;
 - (2) The cost to replace the damaged property on the same site; or
 - (3) The amount you actually spend that is necessary to replace or repair the damaged property.
- b. The amount of our payment will be based on the most cost-effective means to replace the function, capacity and remaining useful life of the damaged property. This may include the use of generic, used or reconditioned parts, equipment or property. This will not include costs to research or correct defects, errors or shortcomings in the design or installation of the "covered property".
- c. Except as described in d. below, you must pay the extra cost of replacing damaged property with property of a better kind or quality or of a different size or capacity.

d. Environmental, Safety and Efficiency Improvements

If "covered equipment" or its component part(s) requires replacement due to a Covered Cause of Loss, we will pay your additional cost to replace with equipment that we agree is better for the environment, safer for people or more energy or water efficient than the equipment being replaced, subject to the following conditions:

- (1) We will not pay more than 150% of what the cost would have been to replace with like kind and quality;
- (2) We will not pay to increase the size or capacity of the equipment;
- (3) This provision only applies to Property Damage coverage;
- (4) This provision does not increase any of the applicable limits; and
- (5) This provision does not apply to any property valued on an "actual cash value" basis.

e. Consequential Loss to Undamaged Stock

Our payment for damaged “covered property” will include compensation for undamaged Stock that loses market value or requires additional expense because of the damage to the “covered property”. As used in this provision, Stock means:

- (1) Raw materials;
 - (2) Materials in process;
 - (3) Finished products, and associated packing and shipping supplies; and
 - (4) Merchandise at warehouse or retail locations.
- f. The following property will be valued on an “actual cash value” basis:
- (1) Any property that does not currently serve a useful or necessary function for you;
 - (2) Any “covered property” that you do not repair or replace within 24 months after the date of the Covered Cause of Loss; and
 - (3) Any “covered property” for which Actual Cash Value coverage is shown in the Declarations.
- g. If any one of the following conditions is met, property held for sale by you will be valued at the sales price as if no loss or damage had occurred, less any discounts and expenses that otherwise would have applied:
- (1) The property was manufactured by you;
 - (2) The sales price of the property is less than the replacement cost of the property; or
 - (3) You are unable to replace the property before its anticipated sale.
- h. Except as specifically provided for under A.2.g. Data Restoration, “data” and “media” will be valued on the following basis:
- (1) For mass-produced and commercially available software, at the replacement cost.
 - (2) For all other “data” and “media”, at the cost of blank “media” for reproducing the records. We will not pay for “data” representing financial records based on the face value of such records.

F. ADDITIONAL CONDITIONS

The following conditions apply in addition to the Common Policy Conditions:

1. Additional Insured

We will consider a person or entity shown in the Declarations as an additional insured to be an insured under this Equipment Breakdown Coverage, but only to the extent of their interest in the “covered property”.

2. Adjustment of Premium

- a. The premium charged at the inception of each policy year is an advance premium. When we receive updated insurable values from you or when we determine updated insurable values through an audit or claim adjustment, we will determine an adjusted premium for this insurance.
- b. If the adjusted premium is less than the advance premium, we will return to you the excess premium. Such excess premium will not exceed 75% of the advance premium.
- c. If the adjusted premium is greater than the advance premium, we will charge the additional premium based on your reports of value.

3. Bankruptcy

In the event of your bankruptcy or insolvency, our obligations and your obligations under this Equipment Breakdown Coverage will continue unchanged.

4. Concealment, Misrepresentation or Fraud

We will not pay for any loss and coverage will be void if you or any additional insured at any time intentionally:

- a. Cause or allow loss, damage or expense in order to collect on insurance; or
- b. Misrepresent or conceal a material fact with respect to:
 - (1) This Equipment Breakdown Coverage;
 - (2) The “covered property” or your interest in the “covered property”; or
 - (3) A claim under this Equipment Breakdown Coverage.

5. Jurisdictional Inspections

It is your responsibility to comply with any state or municipal boiler and pressure vessel regulations. If any "covered equipment" that is "covered property" requires inspection to comply with such regulations, at your option we agree to perform such inspection. We are only able to perform such inspections at locations that you have reported to us.

6. Legal Action Against Us

Under this Equipment Breakdown Coverage, legal action may only be brought against us if:

- a. All the terms of this Equipment Breakdown Coverage have been fully complied with; and
- b. The date that such legal action is brought against us is within two years of the date of the Covered Cause of Loss; or
- c. You have an obligation to pay for damage to "covered property" of others that we have agreed to in writing and the amount of that obligation has not yet been determined by final judgment or arbitration award.

No third party can bring us into an action under this policy to determine your liability.

7. Liberalization

This provision applies if, without charging additional premium, we broaden our standard form for Equipment Breakdown Coverage. When this provision applies, the broadened coverage will apply to this policy commencing on the date that the broadened Equipment Breakdown form becomes effective in the jurisdiction where the Covered Cause of Loss occurs.

8. Losses Payable

- a. We will pay losses covered under this Equipment Breakdown Coverage to you and, as interests in the "covered property" may appear, to each loss payee shown in the Declarations. However, we will not pay losses to any loss payee when the loss arises from conversion, embezzlement or secretion on your part or on the part of the loss payee.
- b. The loss payee's interest in this policy will end upon policy cancellation. If we cancel this policy, we will provide the same written notice to the loss payee that we will provide to you.
- c. We will obtain the loss payee's rights against any third party to the extent of our payment to the loss payee.

9. Maintaining Your Property and Equipment

It is your responsibility to appropriately maintain your property and equipment. We will not pay your costs to maintain, operate, protect or enhance your property or equipment, even if such costs are to comply with our recommendations or prevent loss, damage or expense that would be covered under this policy.

10. Mortgage Holders and Lender's Loss Payable

- a. We will pay losses covered under this Equipment Breakdown Coverage to you and, as interests in the "covered property" may appear, to each Mortgage Holder and Lender Loss Payee shown in the Declarations, in their order of precedence.
- b. Mortgage Holders and Lender Loss Payees will not lose their right to receive loss payment due to having started foreclosure or similar action with respect to the "covered property".
- c. We may deny your claim because of your actions or because of your failure to comply with the terms of this Equipment Breakdown Coverage. In such case, we will pay any applicable Mortgage Holder or Lender Loss Payee their applicable interest in such loss, provided that such Mortgage Holder or Lender Loss Payee does all of the following:
 - (1) Complies with all terms of this Equipment Breakdown Coverage;
 - (2) Notifies us of any material change in risk or change in ownership with respect to the "covered property";

ALASKA POLICYHOLDER NOTICE

ALASKA SURPLUS LINES POLICYHOLDER NOTICE 3 – AAC 25.050

This policy is issued by a non-admitted or surplus lines insurer. Insurance may only be purchased from non-admitted insurers if the full amount, kind, or class of insurance cannot be obtained from insurers who are admitted to do business in the State of Alaska. Your broker or the surplus lines broker has determined that this was true on the date the policy was placed. Before issuing a renewal policy or extending this policy, remarketing is required. To avoid intentional or unintentional extension of coverage in the surplus lines market when an admitted market for that coverage exists, a non-admitted insurer is prohibited from the automatic renewal or extension of a policy without remarketing by your broker or the surplus lines broker.

In order to comply with the Alaska Administrative Code, the following notice is given:

You are hereby notified that, under 3 AAC 25.050, your policy will terminate effective no later than the date and time of its expiration. We reserve the right to cancel this policy sooner than the expiration date by giving you notice of cancellation as required in AS 21.36.220. You may request through your broker that a new policy from the surplus lines broker be concurrent with the effective date of the termination of this policy.

You are also notified that a new policy, if issued by us, is subject to re-rating, which may result in a premium increase of more than ten percent (10%). As required by 3 AAC 25.050, you are hereby notified that any subsequent policy issued by us may be subject to a ten percent (10%) or more increase in premium. The actual premium will be based upon rates that apply at the time a subsequent policy, if any, is issued and will be made available to you before the effective date of the new policy, or the date subsequent coverage is bound, whichever occurs first.
